Let's live happily and cook yourself every day! Enjoy the book, A cookbook devoted to the family friendly, tailgate party classic—featuring more than 60 tried-and-true recipes—from veteran cookbook author and Americana expert Robb Walsh. Americans love chili. Whether served as a hearty family dinner, at a potluck with friends, or as the main dish at a football-watching party, chili is a crowd-pleaser. It's slathered over tamales in San Antonio, hot dogs in Detroit, and hamburgers in Los Angeles. It's ladled over spaghetti in Cincinnati, hash browns in St. Louis, and Fritos corn chips in Santa Fe. In The Chili Cookbook, award-winning author Robb Walsh digs deep into the fascinating history of this quintessential American dish. Who knew the cooking technique traces its history to the ancient Aztecs, or that Hungarian goulash inspired the invention of chili powder? Fans in every region of the country boast the “one true recipe,” and Robb Walsh recreates them all—60 mouth-watering chilis from easy slow-cooker suppers to stunning braised meat creations. There are beef, venison, pork, lamb, turkey, chicken, and shrimp chilis to choose from—there is even an entire chapter on vegetarian chili. The Chili Cookbook is sure to satisfy all

your chili cravings. The author of the phenomenal - and hilarious - best-seller *Don't Bend over in the Garden, Granny, You Know Them Taters Got Eyes* is back with an all-new collection of his funniest, sharpest observations yet. In *Chili Dawgs Always Bark at Night*, Grizzard once again confirms his reputation as the "William Faulkner of just plain folks" using colorful storytelling and his own wonderful brand of humor to tackle such Grizzardian subjects as: International Relations: "If John Wayne were still alive, he'd know what to do to the Japanese investors - take a seven iron and run them and their checkbooks back home before it's too late and Vanna White has to learn eight zillion character signs in the Japanese alphabet to keep her job." Fashion: "Don't wear anything that features a picture of a pelican, a pink flamingo or a beer can." The Future: "I'm predicting the world isn't going to come to an end anytime soon. There's too much unresolved, like whether or not Elvis is still alive, Jimmy Swaggart can stay on television, and if there will be another Rambo sequel." Dating: "Any single white female who has to resort to taking out an ad to find a boyfriend would take a SWM who's into yodeling, Hustler magazine, Ripple and robbing convenience stores." Getting Back to Nature: "Snakes are right up there with the things that I fear most. Lightning is on that list. So is flying in bad weather at night, the dentist, and revenge-minded ex-wives." People Who Cheat in the 12-Items-or-Less Express Lane: "Previously, I have dog-cussed these people and put curses on them, like, 'May your children grow up to be liberal Democrats.' I'm not going to be that mean-spirited anymore. What I'm going to do is go to the vegetable bin, grab a large cucumber, and beat them about the head and shoulders with it." Lewis Grizzard offers his views on everything from politics, religion, sex and golf to the largest condom heist in history, proving he is wittier and more outrageous than ever. *Chili Dawgs Always Bark at Night* shows why the South's most popular humorist is now America's most popular funny man. Even a section of shortcut soups that can be made quickly with ingredients straight from the grocer's shelf. Clearly written and easy to use,

the book also tells cooks how to choose the best equipment, select and store ingredients, and make the perfect pot of stock or successfully substitute canned broths. Always the baker, Marilyn Moore concludes with a few special recipes for breads and crackers that go especially well with soups.
