*THE PATH OF LIGHT* Jan 11 2022 'The Path of Light' is a spiritual book designed to guide humans into the Light of Christ, as well as to strengthen those already in the Light of Christ to be firm and steadfast. The path of darkness, which promotes wickedness, cannot ultimately benefit the human race, only the path of Light in Christ can benefit us here and hereafter. The author himself, who came from the peak of darkness into the Light of Christ, wrote this book with a burning desire to lead people to the Light of God. Sound spiritual knowledge is imperative, if one's objective is to gain ultimate victory on the path of Light. Consequently, the Prince of Darkness and his cohorts can take advantage of man's lack of true spiritual knowledge of the ways of God to manipulate, dominate and destroy even the people of God. Thus, God Himself said: "My people are destroyed for lack of knowledge" (Hosea 4:6). A believer who is bereft of sound spiritual knowledge, as taught by the Harbinger of the Last Covenant, is like a man with a bucket of water on his head, who goes about looking for a cup of water to drink. This situation is not the best for anyone. It is an enslavement of darkness, sustained by the illusions of ignorance. Ignorance is darkness, and darkness must flee from the Light flowing to us from God through Christ. This book is set forth by the Spirit of God as a Light to dispel darkness, and in the name of Our Lord Jesus the Christ, this work will assist you to be completely situated on the true path of life; the path of Light -- the path of perfection in Christ. The book, under the present title, 'The Path of Light Vol. 1', has a complete new chapter added to the previous chapters of the former title. And apart from the added new chapter, the previous chapters are also revised and updated by the author. The second volume of this book, ('The Path of Light Vol.2', ) is one of the greatest spiritual treatise of all times. This is so because it is a Divine

message which the Harbinger of the Last Covenant received directly from the Lord Himself in the realms beyond. It is an important message which the reader, after reading 'The Path of Light Vol. 1', should endeavour to read. And if you read the second volume of 'The Path of Light' first, also endeavour to read the first volume. 'The Path of Light Vol. 1' has five chapters on diverse spiritual issues, which includes but not limited to some messages which the author received directly from the Lord in our time. 'The Path of Light Vol. 2' comes under a different setting. In each page of this second volume, the Harbinger of the Last Covenant presents a verse of the message he directly received from the Lord, as well as his brief comment on each verse of such message. My sincere prayer is for the reader of the first and second volumes of 'The Path of Light' to be lifted and sustained on the path of Light, by the Spirit of Light in Christ Our Lord. Amen.-- Lady Imaobong Udeme Uzorma (Wife of the a

*Wandering Witch: The Journey of Elaina, Vol. 1 (light novel)* Nov 28 2020 It's not about the destination... What's your favorite story? Does it have a hero who slays a dragon and saves a

With no quest of her own, she's free to wander wherever the wind takes her, adding a few pages to the story of whomever she meets before setting off on her next adventure. At the end of her travels, the witch takes on an apprentice who will one day begin her own journey. And so the cycle continues, or so the story goes. Now, the witch who starts the story anew...who could she be?

Taking the form of a fetching girl with wolf ears and a tail, Holo has wearied of tending to harvests in the countryside and strikes up a bargain with the merchant to lend him the cunning of "Holo the Wisewolf" to increase his profits in exchange for taking her along on his travels. What kind of businessman could turn down such an offer? Lawrence soon learns, though, that having an ancient goddess as a traveling companion can be a bit of a mixed blessing. Will this wolf girl turn out to be too wild to tame?

**House of Darkness House of Light** May 03 2021 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.
