Curse Breaker Sundered Aug 13 2022 Magic might be stronger when it's broken, but the promises Sarn forged with them are even stronger. Two conflicting promises bind Sarn. He must satisfy them both even though a monster's chasing him and an evil entity keeps trying to take his soul. Serving more than one master is not only damned near impossible without magic, it's also deadly. But Sarn doesn't have a choice because his word is his bond, and he gave his word to Death's Marksman and an otherworldly entity named J.C. who just might be

the son of God. Breaking his word is not an option. Sarn must keep both promises or die trying because those promises won't let him break them, not even to save the son he adores. With the mountain falling down around them and no exit in sight, can Sarn and his son prevail without magic to help them? Find out in *Curse Breaker: Sundered*, the action-packed sequel to *Curse Breaker: Falls*. Fans of Nicholas Eames, Juliet Marillier, Michael J. Ship Breaker Nov 23 2020 This thrilling bestseller and National Book Award Finalist is a gritty, high-stakes adventure of a teenage boy faced with conflicting loyalties, set in a dark future America devastated by the forces of climate change. In America's flooded Gulf Coast region, oil is scarce, but loyalty is scarcer.

Grounded oil tankers are being broken down for parts by crews of young people. Nailer, a teenage boy, works the light crew, scavenging for copper wiring just to make quota--and hopefully live to see another day. But when, by luck or by chance, he discovers an exquisite clipper ship beached during a recent hurricane, Nailer faces the most important decision of his life: Strip the ship for all it's worth or rescue its lone survivor, a beautiful and wealthy girl who could lead him to a better life.... In this powerful novel, Hugo and Nebula Award winning author Paolo Bacigalupi delivers a fast-paced adventure set in the vivid and raw, uncertain future of his companion novels *The Drowned Cities* and *Tool of War*. "Suzanne Collins may have put dystopian literature on the YA map with *The Hunger Games*...but Bacigalupi is one of the genre's masters, employing inventively terrifying details in equally imaginative story lines." --Los Angeles Times A New York Times Bestseller A Michael L.
