Why Do You Hate Money takes an ethical approach to marketing for health and fitness professionals. The truth is, most people choose a career in health and fitness because it's changed their life and they want to return the favor. But if you can't communicate with your audience you're going to get lost in the noise. Many people make marketing confusing, but it doesn't have to be this way. This book makes it simple, even if you're just starting out. In Why Do You Hate Money, former fit pro turned copywriter; Joey Percia walks you through the same proven strategies industry experts pay him thousands to implement into their businesses. The best part is, these time-tested lessons are easy to apply so you can put them to work right away. Whether you're a new personal trainer, an expert nutritionist, local box owner, a seasoned chiropractor, an experienced physical therapist, a martial arts studio owner, or in another health and fitness related field, this book will show you how to use direct response marketing to build a business you love. You'll discover: - Four expert hacks to cure writer's block once and for all...this chapter alone will give you back hours of your life every single week - An honest and ethical approach to market your business in a way that makes you feel good but still gets you more clients. - 13 ways to spark inspiration and get your creative juices pouring out (you will LOVE #7) - The most common fitness marketing mistakes and how to avoid them... if you can avoid these 4 mistakes you'll be blown away at how much your business will grow - How to use Kickass Copywriting to make loads of cash without being salesy - Simple storytelling strategies to boost sales and make people fall in love with you (don't worry you don't have to be a storytelling master) - How to write cash-generating emails like a million dollar copywriter without actually being one - Health and fitness related examples, checklists, templates, and guides to writing high converting copy which means more clients ... and so much more Why Do You Hate Money' is the go-to fitness marketing guide to create content that kills, craft copy that converts, and master the science of selling without selling out. What are you waiting for? Scroll up, and grab your copy right now. New diversity style guide helps journalists write with authority and accuracy about a complex, multicultural world A companion to the online resource of the same name, The Diversity Style Guide raises the consciousness of journalists who strive to be accurate. Based on studies, news reports and style guides, as well as interviews with more than 50 journalists and experts, it offers the best, most up-to-date advice on writing about underrepresented and often misrepresented groups. Addressing such thorny questions as whether the words Black and White should be capitalized when referring to race and which pronouns to use for people who don't identify as male or female, the book helps readers navigate the minefield of names, terms, labels and colloquialisms that come with living in a diverse society. The Diversity Style Guide comes in two parts. Part One offers enlightening chapters on Why is Diversity So Important; Implicit Bias; Black Americans; Native People; Hispanics and Latinos; Asian Americans and Pacific Islanders; Arab Americans and Muslim Americans; Immigrants and Immigration; Gender Identity and Sexual Orientation; People with Disabilities; Gender Equality in the News Media; Mental Illness, Substance Abuse and Suicide; and Diversity and Inclusion in a Changing Industry. Part Two includes Diversity and Inclusion Activities and an A-Z Guide with more than 500 terms. This guide: Helps journalists, journalism students, and other media writers better understand the context behind hot-button words so they can report with confidence and sensitivity Explores the subtle and not-so-subtle ways that certain words can alienate a source or infuriate a reader Provides writers with an understanding that diversity in journalism is about accuracy and truth, not "political correctness." Brings together guidance from more than 20 organizations and style guides into a single handy reference book The Diversity Style Guide is first and foremost a guide for journalists, but it is also an important resource for journalism and writing instructors, as well as other media professionals. In addition, it will appeal to those in other fields looking to make informed choices in their word usage and their personal interactions. The Copymaster Files Provides complete support for teachers, technicians and non-specialists. Over 350 differentiated worksheets for class and homework are provided in the Copymaster File. A module to help students to understand the key concepts of the scientific method. By experiencing the process of scientific inquiry, students come to recognize the role of science in society. Announcements for the following year included in some vols. The books have extensive coverage of core and foundation subjects for National Curriculum and other UK curricula and are written specifically for the key stage you teach. Deliver the promise of 21st Century Science to ALL your students Science shamelessly steals from God's creation, yet refuses to give God the glory! How the glow of a cat's eyes innovates road reflectors The naturally sticky inspirations for Velcro and barbed wire A fly's ear, the lizard's foot, the moth's eye, and other natural examples are inspiring improvements and new technologies in our lives Engineers and inventors have long examined God's creation to understand and copy complex, proven mechanics of design in the science known as biomimicry. Much of this inspiration is increasingly drawn from amazing aspects of nature, including insects to plants to man in search of wisdom and insight. We are surrounded daily by scientific advancements that have become everyday items, simply because man is copying from God's incredible creation, without acknowledging the Creator. Nelson English is a child-focused teaching programme that aims to raise standards in pupils' understanding and use of the written word at Primary school level. Copymaster Resource Book 4 provides you with photocopiable worksheets that are designed for ten-to-eleven year old pupils and may be used for differentiation, extension or homework.
