“A remarkable book, from its title and subtitle to its last words . . . A stirring indictment of American sentimentality about war.” —Robert G. Kaiser, *The Washington Post* In *Looking for the Good War*, Elizabeth D. Samet reexamines the literature, art, and culture that emerged after World War II, bringing her expertise as a professor of English at West Point to bear on the complexity of the postwar period in national life. She exposes the confusion about American identity that was expressed during and immediately after the war, and the deep national ambivalence toward war, violence, and veterans—all of which were suppressed in subsequent decades by a dangerously sentimental attitude toward the United States’ “exceptional” history and destiny. Samet finds the war’s ambivalent legacy in some of its most heavily mythologized figures: the war correspondent epitomized by Ernie Pyle, the character of the erstwhile G.I. turned either cop or criminal in the pulp fiction and feature films of the late 1940s, the disaffected Civil War veteran who looms so large on the screen in the Cold War Western, and the resurgent military hero of the post-Vietnam period. Taken together, these figures reveal key elements of postwar attitudes toward violence, liberty, and nation—attitudes that have shaped domestic and foreign policy and that respond in various ways to various assumptions about national identity and purpose established or affirmed by World War II. As the United States reassesses its roles in Afghanistan and the Middle East, the time has come to rethink our national mythology: the way that World War II shaped our sense of national destiny, our beliefs about the use of American military force throughout the world, and our inability to accept the realities of the twenty-first century’s decades of devastating conflict. *World War 2 In Review* No. 74 Merriam Press *World War 2 In Review* Series eBook Edition 2022 Number 74 of *World War 2 In Review* features these articles on World War II: (1) *Railroaders in Olive Drab: The Military Railway Service in World War II* (2) *Land-Based Sailors of the Kriegsmarine* (3) *9th Australian Division* (4) *Scarf: The ‘Unknown’ VC* (5) *Axis Defeat in South America* (6) *Good Neighbors: Stories from Latin America in World War II* (7) *Fire Brigade Honor Cross of the Third Reich* (8) *The War in Italy: 19 September to 18 October 1944* (9) *Warwell Wagons: British Sherman Tank Rail Cars* (10) *American Naval Base Ulithi* (11) *Bulgarian Military Vehicle Scrapbook* (12) *German Combat Vehicles of World War II* (13) *Panzerkampfwagen 38(t): German Light Tank* (14) *Tan?ík vz. 33: Czechoslovak Tankette* (15) *Sentinel: Australian Cruiser Tank* (16) *Australian 1st Tank Battalion a.k.a. 1st Armoured Regiment 407 B&W* and color photos and illustrations *Technical and Military Imperatives: A Radar History of World War II* is a coherent account of the history of radar in the second World War. Although many books have been written on the early days of radar and its role in the war, this book is by far the most comprehensive, covering ground, air, and sea operations in all theatres of World War II. The author manages to synthesize a vast amount of material in a highly readable, informative, and enjoyable way. Of special interest is extensive new material about the development and use of radar by Germany, Japan, Russia, and Great British. The story is told without undue technical complexity, so that the book is accessible to specialists and nonspecialists alike. *Gears of War 2*, the sequel to the hugely successful original, builds upon the gameplay of the first title with new characters, more weapons, nastier enemies, and grander locales. This Signature Series guide features complete walkthroughs for the single-player and co-op player campaigns. In-depth area maps. Extensive multiplayer coverage. Complete list of Xbox Achievements. Signature Series guide includes bonus content, exclusive foldout and more! *Gears of War 2* is the highly anticipated sequel to the 4.7 million-selling blockbuster third-person tactical action game, and one of the most popular Xbox 360 games in history. *Gears of War 2* picks up six months after the events of *Gears of War*, and thrusts you back into a deep and harrowing story of humankind’s epic battle for survival against a nightmarish force of underground creatures known as the Locust Horde. *Gears of War 2* is developed by Epic Games exclusively for Xbox 360. Continue the story of Marcus Fenix, a reluctant war hero, as he leads Delta Squad on a series of perilous and adrenaline-pumping missions. *Gears of War 2* blends a best-in-class third-person shooter with unsurpassed high-definition visuals, all layered on top of an engaging story of survival, loss, and retribution. Finalist for the Pulitzer Prize • Winner of the Council on Foreign Relations Arthur Ross Book Award • One of the *New York Times*’ Ten Best Books of the Year “Impressive . . . Mr. Judt writes with enormous authority.” —*The Wall Street Journal* “Magisterial . . . It is, without a doubt, the most comprehensive, authoritative, and yes, readable postwar history.” —*The Boston Globe* Almost a decade in the making, this much-anticipated grand history of postwar Europe from one of the world’s most esteemed historians and intellectuals is a singular achievement. *Postwar* is the first modern history that covers all of Europe, both east and west, drawing on research in six languages to sweep readers through thirty-four nations and sixty years of political and cultural change—all in one integrated, enthralling narrative. Both intellectually ambitious and compelling to read, thrilling in its scope and delightful in its small details, *Postwar* is a rare joy. Judt’s book, *Ill Fares the Land*, republished in 2021 featuring a new preface by bestselling author of *Between the World and Me* and *The Water Dancer*, Ta-Nehisi Coates. Based on a real military program! The US Navy’s new breed of soldier is ready to make a big splash. An action-packed, maritime military adventure from the author of *Dog Tags*. A notorious Somalian pirate sails the Arabian Sea, leading a band of deadly thieves and mercenaries on an international crime spree. When they take American hostages aboard a cargo ship, they’ve finally gone too far -- and a special task force of Navy SEALs and Marines is called in to help. SEALs, Marines . . . and a talented sea lion named Sly. As Sly’s handler, young sailor Felix has two important jobs. Job one is to get Sly to plant a beacon so that the U.S. strike force can follow the pirates back to their haven. Job two is to keep the sea lion safe and out of combat. But when the mission goes wrong and the pirates get the upper hand, Felix and Sly end up right in the middle of the action . . . with dozens of innocent lives at stake. *Record of Agarest War* is an epic, multi-generational RPG where your decisions affect the power of future generations of heroes. *Record of*

Agarest War 2: Heroines Visual Book collects the gorgeous artwork behind the newest installment in the Record of Agarest War franchise. Included are character designs, pinups, rough concepts, detailed item guides, and creator commentary. Entering service at the end of the Battle of Britain, the pugnacious Bristol Beaufighter was deployed in numbers by Fighter Command just in time for the start of the Luftwaffe's night 'Blitz' on Britain. Flown by specialised nightfighter squadrons – several of them elite pre-war Auxiliary Air Force units – it was the first nightfighter to be equipped with an airborne radar as standard. Thus equipped, it combined the ability to 'see' the enemy at night with the devastating hitting power of four cannon and six machine guns. This book covers the exploits of the men who made ace in the Beaufighter and includes stunning original artwork together with first hand accounts of the action. Long before anyone ever heard of 'protest music', people in America were singing about their struggles. They sang for justice and fairness, food and shelter, and equality and freedom; they sang to be acknowledged. Sometimes they also sang to oppress. This book uncovers the history of these people and their songs, from the moment Columbus made fateful landfall to the start of the Second World War, when 'protest music' emerged as an identifiable brand. Cutting across musical genres, Will Kaufman recovers the passionate voices of America itself. We encounter songs of the mainland and the conquered territories of Hawai'i, Cuba, Puerto Rico, and the Philippines; we hear Indigenous songs, immigrant songs and Klan songs, minstrel songs and symphonies, songs of the heard and the unheard, songs of the celebrated and the anonymous, of the righteous and the despicable. This magisterial book shows that all these songs are woven into the very fabric of American history. The sequel to the first Primitive War novel...As the Cold War reaches an infernal end...A particle accelerator has been sabotaged in the dark heart of Angola's war-torn wastelands. Primeval horrors re-enter the savanna, claiming countless lives as they forge a new ecosystem. Zosimus Kaikara and Josef Gustavo, a pair of Angolan bounty hunters, are tasked with leading the elite dinosaur-tracking team Stalker Force and the mysterious paramilitary contractors of Quad Equitum to the abandoned particle accelerator in the southern highlands. As the men devolve in their struggles to survive the inhospitable lost world, the landscape of the earth is changed forever by...the Primitive War. Disclaimer - This novel is set during Angola's War of Independence and as such features heavy language, graphic violence, drug use, mentions of rape and sexual assault, as well as other reinterpretations based on the harsh realities of war. All of the dinosaurs within this novel are mentioned by their modern names, regardless of when they were discovered, for the sake of clarity. All references within the work to other existing works are done so for the sole purpose of paying homage to the author's inspirations mentioned on the title page within the book. "When I was arrested my whole world crumbled. I knew that leaders of political parties had been arrested, and never heard from again. My only chance at survival was to find a way to escape from the jail." Orphaned in Poland at the age of thirteen, Tadeusz "Tad" Haska survived World War II on the run, narrowly evading the Nazis every step of the way. After the war, he daringly escaped jail by the Soviet Secret Police, fled to Sweden and launched an elaborate plan to smuggle his wife in a coffin on an all-male naval ship. Discover how Tad's knowledge of nine languages helped him survive in the face of unspeakable adversity. Everything done in the dark must come to the light, but when it does, will the Hoover gang be able to overcome all the secrets, deceit, and greed? Who will come out on top in this battle of love and war? At the end of Love and War, readers were left wondering if the Hoover gang would reign supreme, or if they would fall at the hands of the women who were supposed to have their backs. Now, what should be the happiest day of one's life has turned into the worst. It is literally a wedding to die for, and Hoover brothers Quick, Shadow, and Babyface are awaiting news of Blaze's fate. Quick blames himself for everything that has happened. He still has to deal with the dirty cops trying to infiltrate their circle. Will he be able to hold it together as everything around him falls apart? Shadow and his brothers tear up the city of Chicago looking for the ones responsible. What he doesn't know is the one closest to him is their biggest enemy. Babyface was always the laid-back brother, but now he must turn into the savage he never wanted to be. As he steps into a life he wanted to leave behind to save his family, will he push away the only girl to steal his heart? SOON TO BE A MAJOR MOTION PICTURE The incredible story of the unlikely battle of World War II, when a small group of American soldiers joined forces with German soldiers to fight off fanatical SS troops May, 1945. Hitler is dead, the Third Reich is little more than smoking rubble, and no GI wants to be the last man killed in action against the Nazis. The Last Battle tells the nearly unbelievable story of the unlikely battle of the war, when a small group of American tankers, led by Captain Lee, joined forces with German soldiers to fight off fanatical SS troops seeking to capture Castle Itter and execute the stronghold's VIP prisoners. It is a tale of unlikely allies, startling bravery, jittery suspense, and desperate combat between implacable enemies. Collects the stories of fifteen women who risked their lives to become heroes in the Pacific theater of World War II. Offering deeper insights into the critically acclaimed God of War® franchise, this novel returns us to the dark world of ancient Greek mythology explored in the heart-pounding action of God of War I, the bestselling video game. A brutal warrior, Kratos is a slave to the gods of Olympus. Plagued by the nightmares of his past and yearning for freedom, the Ghost of Sparta would do anything to be free of his debt to the gods. He is on the verge of losing all hope when the gods give him one last task to end his servitude. He must destroy Ares, the god of war. But what chance does a mere mortal have against a god? Armed with the deadly chained Blades of Chaos, guided by the goddess Athena, and driven by his own insatiable thirst for vengeance, Kratos seeks the only relic powerful enough to slay Ares . . . a quest that will take him deep into the mysterious temple borne by the Titan Cronos! From the black depths of Hades to the war-torn city of Athens to the lost desert beyond, God of War sheds a brutal new light on the bestselling video game and on the legend of Kratos. The civil war is over, but the struggle for power in the aftermath is just starting. Continue the adventure in Sons of War 2: Saints, coming fall 2020. One of the most destructive wars in human history, WWII still haunts nations and is a subject of ongoing interest for films, television and books, generating a rich trove of historical material. Through vivid accounts, WWII is brought to life in this concise and accessible volume, which includes first-person interviews by Studs Terkel; propaganda comics from Dr. Seuss; stories of wartime experiences from writers including historian Howard Zinn and celebrated French author Marguerite Duras and writings of some of the world's leading war historians. Merriam Press World War 2 Memoir Series. Memoir of a Jewish-American soldier during training and stateside service, eventually ending up a lieutenant with the 79th Infantry Division in Europe at the end of the war. Includes an appendix with 36 photos of the German Army during the invasion of France, May-June 1940, which the author "liberated" at the end of the war from a German home. 53 photos. A masterful and comprehensive chronicle of World War II, by internationally bestselling historian Antony Beevor. Over the past two decades, Antony Beevor has established himself as one of the world's premier historians of WWII. His multi-award winning books have included Stalingrad and The Fall of Berlin 1945. Now, in his newest and most ambitious book, he turns his focus to one of the bloodiest and most tragic events of the twentieth century, the Second World War. In this searing narrative that takes us from Hitler's invasion of Poland on September 1st, 1939 to V-J day on August 14, 1945 and the war's aftermath, Beevor describes the conflict and its global reach -- one that included every major power. The result is a dramatic and breathtaking single-volume history that provides a remarkably intimate account of the war that, more than any other, still commands attention and an audience. Thrillingly written and brilliantly researched, Beevor's grand and provocative account is destined to become the definitive work on this complex, tragic, and endlessly fascinating period in world history, and confirms once more that he is a military historian of the first rank. Although designed and built for the US Navy, the F2A fought in only one major US engagement, the battle of Midway, in which F2A pilots managed to shoot down a number of Japanese fighters. Soon replaced by the navy, the F2A was exported to Britain, where it was nicknamed the 'Buffalo' thanks to its stubby appearance. The British sent most of these fighters to the Far East where they were used in the defence of Singapore and Malaya. It was in the Winter War, however, that the F2A truly found a home. Calling the plane simply the Brewster, the Finnish flew it against the invading Russians. Overall 37 Finns achieved ace status flying the Brewster, and it was the Finnish fighter of choice until succeeded by the Bf 109 in

1943. From the "Life" team comes a gripping and comprehensive pictorial history of the greatest conflict of our times--a World War II book which serves as a rich history of memorable images and words. 600 bandw and color photos. History comes alive -- with ghosts! Anderson finds himself drawn to the old trunk of military relics in the basement of his family's junk shop again. His friends Greg and Julie warn him to stay away from it, but he can't help himself. This time Anderson discovers an old grenade with a strange message scratched into it. But an old grenade is dangerous . . . especially when the ghost of a soldier appears, claiming that it's his lucky grenade from during his service in the Vietnam War. What does this ghost want from Anderson, Greg, and Julie? Is he here for their help - or for something more sinister? It's a race against time as the friends work to solve the mystery! The World War 2 Trivia Book is an entertaining, instructive and interesting Trivia & Facts book about the World War 2. Get ready to impress your friends with your knowledge - not just of the main events of World War 2, but of all the gritty details and weird true facts. Trace the epic history of World War 2 across the globe with more than 100 detailed maps. In this stunning visual history book, custom maps tell the story of the Second World War from the rise of the Axis powers to the dropping of the atom bomb on Hiroshima and Nagasaki. Each map is rich with detail and graphics, helping you to chart the progress of key events of World War II on land, sea, and air, such as the Dunkirk evacuation, the attack on Pearl Harbor, the D-Day landings, and the siege of Stalingrad. Historical maps from both Allied and Axis countries also offer unique insights into the events. There are timelines to help you follow the story as it unfolds, while narrative overviews explain the social, economic, political, and technical developments at the time. Fascinating, large-scale pictures introduce topics such as the Holocaust, blitzkrieg, kamikaze warfare, and code-breaking. Written by a team of historians in consultation with Richard Overy, World War II Map by Map examines how the deadliest conflict in history changed the face of our world. It is perfect for students, general readers, and military history enthusiasts. "Selected papers from the Fourth World Congress for Soviet and East European Studies, Harrogate, 1990." Wars are started by a person or persons and are usually a quest for power for a person or a group of people and they don't really care how many people are killed nor how many families are losing a father, mother or brothers or whole families and their relatives. Sometimes, it is necessary to start a war by a peaceful nation against countries tat are harming and have the publically displayed their intentions to extend their borders by taking land from established country's land and people. This I would consider declaring a war to be the only necessary solution to the problem----but still a war with people getting maimed and killed. In World War One---Germany was the problem----once again lust for power. I wasn't even thought of at that period of time----in fact, I hadn't even arrived on the scene at that point of time. But, think about it for a moment----there's not one inch of land that has increased in size in those thousands of years of civilization and wars. I was a training in Camp Blanding in Florida---we could look in any direction and there was a sign posted in large letters-----"Kill or Be Killed"----"Kill or Be Killed". We were just 18 or 19 year old kids-----think about it-----"Kill or Be Killed"-what an education-but necessary to imprint it inside our young brains. It gave us young kids a reason to become killers-----hesitate for a second and you're dead. Back then in training, we used to repeat over and over was that wars were necessary to "Decrease The Surplus Population"-----It is most certainly a true statement. The Second World War might have officially ended in May 1945, but in reality it rumbled on for another ten years... The end of the Second World War in Europe is one of the twentieth century's most iconic moments. It is fondly remembered as a time when cheering crowds filled the streets, danced, drank and made love until the small hours. These images of victory and celebration are so strong in our minds that the period of anarchy and civil war that followed has been forgotten. Across Europe, landscapes had been ravaged, entire cities razed and more than thirty million people had been killed in the war. The institutions that we now take for granted - such as the police, the media, transport, local and national government - were either entirely absent or hopelessly compromised. Crime rates were soaring, economies collapsing, and the European population was hovering on the brink of starvation. In Savage Continent, Keith Lowe describes a continent still racked by violence, where large sections of the population had yet to accept that the war was over. Individuals, communities and sometimes whole nations sought vengeance for the wrongs that had been done to them during the war. Germans and collaborators everywhere were rounded up, tormented and summarily executed. Concentration camps were reopened and filled with new victims who were tortured and starved. Violent anti-Semitism was reborn, sparking murders and new pogroms across Europe. Massacres were an integral part of the chaos and in some places – particularly Greece, Yugoslavia and Poland, as well as parts of Italy and France – they led to brutal civil wars. In some of the greatest acts of ethnic cleansing the world has ever seen, tens of millions were expelled from their ancestral homelands, often with the implicit blessing of the Allied authorities. Savage Continent is the story of post WWII Europe, in all its ugly detail, from the end of the war right up until the establishment of an uneasy stability across Europe towards the end of the 1940s. Based principally on primary sources from a dozen countries, Savage Continent is a frightening and thrilling chronicle of a world gone mad, the standard history of post WWII Europe for years to come. ??CONTAINS OVER 100 RARE ARCHIVE PHOTOS & ILLUSTRATIONS. The unforgettable history of World War II presented in a chronological timeline format. This is THE definitive guide to WW2 in 24 chapters - each chapter covers a 3-month period throughout the war years of 1939 - 1945. ?? You will learn: How WW2 came about despite the First World War being called "The War to End All Wars" 20 years previously The leaders of the Axis Powers - Adolf Hitler of Germany, Benito Mussolini of Italy, Emperor Hirohito of Japan The leaders of the Allied Powers - From Neville Chamberlain to Winston Churchill of the United Kingdom on to Franklin D. Roosevelt and Harry Truman of the United States and Joseph Stalin of the Soviet Union The Battles of WW2 - from Blitzkrieg to Berlin - from Dunkirk to Pearl Harbor - from D-Day to the atomic bombings of Hiroshima and Nagasaki Operations in order of action with statistics The War Machines of WW2 - from the mighty planes like the Spitfire and monstrous B-29 Superfortress "Enola Gay" to Panzer tanks, U-Boats and more To really understand the concept of war, on a global scale, the World War II years of 1939 to 1945 provide perhaps the first complete overview of man's inhumanity to man, alongside the bravery and heroism that show the very worst and the very best facets of human nature. Incredibly there are archive images from every stage of this conflict, and as we consider the events of the Second World War chronologically, this book will build into the complete timeline. Whether you are history buff or a scholar of this time period - everyone will appreciate this detailed account of the Second World War. An introduction to the brave heroes of World War 2 for kids ages 8 to 12 Sometimes all it takes to make a difference is a single person willing to risk their lives and take a stand. Learn more--Kids can find out even more about the heroes in this book thanks to suggestions for further reading at the end of each biography. Introduce kids to the incredible stories of heroic men and women in this standout among biography books. A long-awaited English translation of the groundbreaking oral history of women in World War II across Europe and Russia—from the winner of the Nobel Prize in Literature NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • The Guardian • NPR • The Economist • Milwaukee Journal Sentinel • Kirkus Reviews For more than three decades, Svetlana Alexievich has been the memory and conscience of the twentieth century. When the Swedish Academy awarded her the Nobel Prize, it cited her invention of “a new kind of literary genre,” describing her work as “a history of emotions . . . a history of the soul.” In The Unwomanly Face of War, Alexievich chronicles the experiences of the Soviet women who fought on the front lines, on the home front, and in the occupied territories. These women—more than a million in total—were nurses and doctors, pilots, tank drivers, machine-gunners, and snipers. They battled alongside

men, and yet, after the victory, their efforts and sacrifices were forgotten. Alexievich traveled thousands of miles and visited more than a hundred towns to record these women's stories. Together, this symphony of voices reveals a different aspect of the war—the everyday details of life in combat left out of the official histories. Translated by the renowned Richard Pevear and Larissa Volokhonsky, *The Unwomanly Face of War* is a powerful and poignant account of the central conflict of the twentieth century, a kaleidoscopic portrait of the human side of war. THE WINNER OF THE NOBEL PRIZE IN LITERATURE “for her polyphonic writings, a monument to suffering and courage in our time.” “A landmark.”—Timothy Snyder, author of *On Tyranny: Twenty Lessons from the Twentieth Century* “An astonishing book, harrowing and life-affirming. . . . It deserves the widest possible readership.”—Paula Hawkins, author of *The Girl on the Train* “Alexievich has gained probably the world's deepest, most eloquent understanding of the post-Soviet condition. . . . [She] has consistently chronicled that which has been intentionally forgotten.”—Masha Gessen, National Book Award-winning author of *The Future Is History* All the majesty and mayhem of Greek mythology springs to life once more in the powerful second novel based on the bestselling and critically acclaimed *God of War*® franchise. Once the mighty warrior Kratos was a slave to the gods, bound to do their savage bidding. After destroying Ares, the God of War, Kratos was granted his freedom by Zeus—and even given the ousted god's throne on Olympus. But the other gods of the pantheon didn't take kindly to Kratos's ascension and, in turn, conspired against him. Banished, Kratos must ally himself with the despised Titans, ancient enemies of the Olympians, in order to take revenge and silence the nightmares that haunt him. *God of War II* takes the videogame's action to electrifying new heights, and adds ever more fascinating layers to the larger-than-life tale of Kratos. History comes alive -- with ghosts! In the basement of his family's junkshop, Anderson and his friends Greg and Julie discover a trunk full of old military stuff. Including a battered navy peacoat from World War II, and when Anderson puts it on he finds a mysterious letter in the pocket. Curious, he takes the coat and letter home. But that's not all he brings home. . . . Later that evening the ghost of a World War II sailor appears in Anderson's room. Anderson is completely freaked out. Who is the ghost and why hasn't he crossed over? But most importantly, what does he want with Anderson? Anderson, Greg, and Julie set out to find the truth and are soon wrapped up in a mystery that's over seventy years old. But it quickly becomes a race against the clock as they search to put the clues of sailor's life together before he vanishes for good. After everything he gave for his country, can Anderson, Julie, and Greg solve the mystery of the ghost before he disappears forever? World War II (often abbreviated to WWII or WW2), also known as the Second World War, was a global war that lasted from 1939 to 1945, although related conflicts began earlier. It involved the vast majority of the world's countries-including all of the great powers-eventually forming two opposing military alliances: the Allies and the Axis. It was the most widespread war in history, and directly involved more than 100 million people from over 30 countries. In a state of "total war", the major participants threw their entire economic, industrial, and scientific capabilities behind the war effort, erasing the distinction between civilian and military resources. Marked by mass deaths of civilians, including the Holocaust (in which approximately 11 million people were killed) and the strategic bombing of industrial and population centres (in which approximately one million were killed, and which included the atomic bombings of Hiroshima and Nagasaki), it resulted in an estimated 50 million to 85 million fatalities. These made World War II the deadliest conflict in human history. Scroll up to the top of the page and click add to cart to learn more CMH Pub. 10-22. By Alfred M. Beck, et al. Describes in detail the role of the Army Corps of Engineers in various military campaigns throughout North Africa and Italy, as well as in Western and Central Europe, from 1941 through 1944.
