Learning German provides a thorough grounding in up-to-date German, going beyond the essential, everyday phrases to help you really come to grips with the language. She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. Forget about boring lectures on grammar and endless vocabulary lists. With the help of this book, English speakers like you can easily learn German and immerse themselves in it without having to leave the country! Learn to speak German? Easy. German All-in-One For Dummies conveniently combinestitles from the German Dummies library into one handy guide thatcovers all of the bases of the German language. Offers instruction and practice exercises for both speaking andwriting German Helps you prepare to demonstrate proficiency in conversationalGerman If you want to improve your German, whether it's for work,travel, or enjoyment, German All-in-One For Dummies has youcovered. German Quickly: A Grammar for Reading German is a thorough, straightforward textbook with a sense of fun. It teaches the fundamentals for reading German literary and scholarly texts of all levels and difficulty. It can be used as an introductory text for students with no background in German, or it can serve as a reference text for students wishing to review German. The grammar explanations are detailed and clear, and the accompanying reading selections, consisting partly of aphorisms and proverbs, are intriguing. There are also many informative appendices, including a summary of German grammar, a detailed description of German dictionaries currently available, and a vocabulary list of 3200 words that are commonly encountered in scholarly writings. It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more. Are you looking for an incredibly good manuscript for learning german? Are you frustrated because you want to leave for a trip to german, but you can't due to your lack of german language knowledge? Do you know what is the hardest thing to find in a language learning manuscript? If you want to know the answer, then keep reading... Attention: to start on your path to learning, you do not have to purchase the whole series, instead, you can buy this book only. However, the purchase of the complete series of four books is recommended for a richer and more detailed study of the language in question. Probably you have already tried to learn german by watching your favorite movies and series, and maybe you could not see them until the end, giving up right away because they were talking too fast and you could not understand that much. If this happened to you, you probably thought that learning germane is too difficult, if not impossible for you... Science helps you here. Did you know that we memorize and learn information more easily through stories? Because our brain likes it, it has been so used from an early age, with the stories they told us, cartoons etc. In this way it is more inclined to learn. As a result, it is easier to learn and memorize a new language by reading stories. There are several manuscripts similar to this one for learning german but they are not really optimal or suitable for beginners for different reasons: complicated terms are used, the stories are too long, lack of vocabulary, excessive amount of grammatical errors, lack of techniques and suggestions to help the reader to memorize effortless and other carelessness that you will not find in this manuscript. In this bundle of series 1 and 2 you'll find: - Tips and techniques about learning languages in general, and Key insights into learning German - The fundamentals of the German language - Some of the most complex issues of the German language - Verb conjugations in the Present Tense - 16 dual-language lessons in parallel text broken down into verb tenses - Core vocabulary which can be used in multiple situations - The present simple tense with the verb "Sein" - The various ways in which verbs can be conjugated - The present simple tense with regular and irregular verbs - 2 empowering lessons with all the tenses together and much more! In fact, even if you have never spoken or written in german, no need to worry because this book was designed specifically for people like you... At the end of each story, there are 10 questions and suggested answers that will guide you in each of your answers. In addition to get the most out of this manuscript you'll find a parallel translation of the stories in English and at the beginning of each lesson, there is a glossary that contains the words of the story that will follow. This will help you to memorize the most important words of each story. In conclusion with all these advantages it will be scientifically impossible not to learn german. If you are ready to learn quickly and effortless german, just buy a copy now of this manuscript to start speaking german fluently. Lick your language problems with

DeMYSTiFieD! Want to get the most out of German but don't know where to start? No problem! German DeMYSTiFieD, Second Edition takes the angst out of learning the language. You'll move on to mastering subjects such as using verbs, asking questions, telling time, counting, and more. Detailed examples and concise explanations make it easy to understand the material, and end-of-chapter quizzes and a final exam help reinforce learning. It's a no brainer. You'll learn: The German Alphabet Special Characters Definite Articles Conjugations Pronouns And more Topics include: German Pronunciation, People and Names, Asking Questions, Describing People and Things, Indicating Possession, Actions in the Present, Irregularities in Present Tense Verbs, Talking About Location, Talking About the Past, Time and Calendar, More Talking About the Past, Important Details, Talking About the Future, Review of Verbs Tenses, Linking Ideas Together, Comparing Things, Using Commands, Using the Passive Voice, Using the Subjunctive Mood, Expressing Wishes and Conditions Are you a beginner to Spanish who wants to learn the language in a fast and simple way? Have you tried learning Spanish through classical grammar lessons or a Spanish app teaching you stuff you will never use in real life? You see, we don't believe that you have to struggle to learn Spanish. Learning German Made Easy... Anyone looking to break the monolingual mold which so many native English speakers find themselves enclosed in will invariably find this book to be helpful. Here, we have a plethora of tips and techniques for learning German, as well as virtually any other language the reader can think of. If you are in search for a book on the subject of German learning, this would be the first for you to consider. Some of the numerous topics covered in this book are as follows: What it means to learn Standard German High German and Low German Finding your passion for learning German Turning a chore into inspiration Learning German by immersing yourself deeply within German culture Finding native speakers to improve your overall understanding of the language and its culture How to beat the most difficult part of learning the German language Learning German in a more formal class environment And Much More... This is just a general outline though, this book more specifically covers study techniques applicable to any field, the culture of Germany as well as the rest of German speaking Europe, some of the history of the language and its various dialects, steps for beginning the study of the language, and learning German inside (and outside) of formal class settings. All these topics covered should coalesce into something of value to the reader which can be carried over and utilized by him or her in the future. The overarching purpose of this book is not to teach German, as that would be impossible within the pages here, but more so to give the reader some tools for independent study in the future and help him or her to become a great solver of the problems which come with learning a new language. Don't wait another moment to enjoy from this information - Get your copy of Incas right away! Are you sick and tired of boring textbooks that take forever to get to something useful? Have you tried learning German before but failed? Do you finally want to discover a way to learn German that's both fun and effective? If so, then you've come to the right place. Suitable for both independent study and class use, this text comprises an accessible reference grammar and related exercises in a single volume. A Swiss orphan is heartbroken when she must leave her beloved grandfather and their happy home in the mountains to go to school and to care for an invalid girl in the city. Whether you are studying the language in school, planning a trip to Germany or Austria, or trying to learn the basics of the language closest to English, German Made Simple is the perfect book for any self-learner. Void of all nonessentials and refreshingly easy to understand, German Made Simple includes: • Basics of German grammar • Modern German vocabulary • German pronunciation guide • German reading exercises • German economic information • Common German expressions • Review exercises • Complete answer key • German-English dictionary 3 Manuscript in 1 Book As society becomes more global, you should equip yourself with knowledge of foreign languages. What better language to start with than German? German has a reputation for being a difficult language to learn especially for English speakers. While there is some truth to that - its grammar rules are more complicated and it has sounds that don't exist in the English language - learning a new language will always be a challenge, no matter what it is, to foreign language learners. This book, German Language Learning includes Learn German for Beginners, German Phrase Book, German Short Stories for Beginners and offers an effective way to learn the basics of German. But first, let's be clear about what this book isn't. If you're looking for a book that offers a method for mastering a language in few simple steps, this isn't it. If you want a book that can make you fluent in German in no time, this also isn't it. In fact, if you found a book or any language learning

resource promising those kinds of things, throw them away. Learning a new language takes time and dedication. Unless you're gifted, there's no shortcut. Mastering another language can be challenging but the reward is definitely worth it. Let German language learning be your guide in your German language learning journey. This book is everything you need as a beginner. So, what are you still waiting for? Start reading this book to fulfill your goals! Scroll to the top of the page and select the buy now button. The Complete German Course - 3 Books In 1 Box Welcome to the Ultimate Crash Course on German! * * FREE GIFT INSIDE - How to Learn Any Language 300% FASTER* * *Would you like to learn German? In that case, congratulations. You've just found the most advanced, comprehensive, and up to date German course in existence! This unique course will take you really, really far. It's the single best program I've ever prepared. It contains over +450 pages of top notch German lessons that will take you from beginner to fluent in a matter of DAYS. You see, when it comes to learning new languages we are ALL in the same game, and yet most people don't even realize it. Most people don't take the time to think HOW they can speed up the entire process, and just dive in hoping for the best. That's precisely why all the aspiring language speakers so desperately need the RIGHT system first! They aren't learning the right way, they chunking things here and there. And so I did, back before I was introduced to the proper language learning strategies. It took me time to learn those strategies. It took me a lot of time and effort to incorporate the secrets that would ultimately shape my entire language learning process! And now, I'm willing to share those secrets with you. I wrote this big box set for a reason. I wrote this book to show you HOW you can learn German FASTER than you ever thought possible. I wrote it to show you how you can set apart from the average path and go the whole way instead. I may not know you, but I certainly know something about you: both you and me are alike. Whether you are just starting to get in touch the German language, or even if you have already started practicing it, I know you don't settle for average learning methods. I know you want something better. You won't stop until you fully grasp its essence. Until you fully grasp the path of simplicity. You won't stop until you truly achieve all you can achieve. And guess what? That's precisely what we will go for on this book! Hey, I'm not saying you should throw away all the stuff you have already incorporated. You don't have to do that, trust me. My approach to language learning is different. I'm a modern person. I'm aware of the world we live in, and I don't want to turn things upside down, and I guess neither do you. So, don't worry! I've got you covered. We'll go through the right strategies and we will APPLY them into our daily modern lives. Because that's what's all about, isn't it? It's about improving our lives. Improving our focus. Improving our happiness and productivity. I'm glad to be here to share this amazing journey with you! My goal is simple. I will help you incorporate the right strategies to learn German FAST. I will help you simplify your path to learning a new tongue. Sounds too difficult? It's not. I will show you how. I will take you through a step by step guide where you simply can't get lost! Together, we will go to the roots of Language and you will end up learning German in NO TIME! This new edition includes: Time-saving vocabulary panels that eliminate having to look words up Advice on how to avoid common mistakes A detailed answer key for quick, easy progress checks Offering a winning formula for getting a handle on German grammar right away, Practice Makes Perfect: Complete German Grammar your ultimate resource for learning to speak German the way the native speakers do. For ages 3 months to 5 years. This revolutionary early-reading program encourages infants and toddlers to NATURALLY learn the written word AT THE SAME TIME as they learn the spoken word. This systems introduces children to the wonderful world of words using Titzer's fun, multi-sensory reading approach. Babies and toddlers do not just watch this DVD. They interact with it! Volume 2 introduces approximately 50 new key words. After 3 months your child will be ready for this volume. Set includes: Interactive DVD; 5 double-sided word and picture cards; 1 wipe-clean word card and non-toxic pen. PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. Your first 1,000 German words - five words a day. Over the course of a year, German for Everyone Junior: Five Words a Day teaches new vocabulary to children who are starting to learn German. Presenting 20 new words between Monday and Thursday, the final day of each week's teaching allows children to practice the vocabulary they have just learned. A mix of nouns and verbs are taught through beautifully illustrated scenes, with each new word clearly labeled. Five Words a Day first encourages children to copy out the words before covering them with the flaps on the jacket and testing their new knowledge. Accompanying audio means that children are also able to practice their German pronunciation as many times as they want. With over 1,000 German words, Five Words a Day is a colorful, clear, and comprehensive workbook that will lay the foundations for your child's journey in learning and understanding German, at school or at home. This book is actually an interactive sound panel with topic cards to listen to 128 German words spoken by a native speaker. Simply take one of the four topic cards out of the envelope and insert into the special frame, then press a picture to hear the word. Each of the four double-sided cards shows sixteen words from a topic such as clothes, food, or animals with colourful corresponding pictures. An engaging way for children to learn German as a first or second language. WARNING! This product contains button or coin cell batteries which are dangerous. Dispose of used batteries immediately. Keep new and used batteries away from children. Batteries can cause serious injuries if they are swallowed or placed inside any part of the body. If you think batteries may have been swallowed or placed inside any part of the body, seek immediate medical attention. Different types of batteries (i.e. Alkaline and Zinc) or new and used batteries are not to be mixed. Only batteries of the same or equivalent type as recommended are to be used. Batteries are to be inserted with the correct polarity. Exhausted batteries are to be removed from the product. The supply terminals are not to be short-circuited. Do not throw batteries into a fire. Batteries should never be left in the product when not in use for long periods of time. Non rechargeable batteries are not to be recharged. Rechargeable batteries are to be removed from the product before being charged. Rechargeable batteries are only to be charged under adult supervision. This product contains batteries and electronics that may be harmful to the environment; they should not be discarded with normal household waste but taken to your local collection centre for recycling. Please retain this information for future reference. Battery removal and installation instructions: With a screwdriver, loosen the captive screw and remove the lid to the battery compartment keeping it away from children. Insert the new button cell batteries as shown in the polarity diagram (+/-) inside the battery compartment. Lower the lid back onto the compartment and re-tighten the captive screw. Clarified grammar explanations. For questions or comments please send an email to speakgerman90@gmail.com Have you been trying to learn German and simply can't find the way to expand your vocabulary? Do your teachers recommend you boring textbooks and complicated stories that you don't really understand? Are you looking for a way to learn the language quicker without taking shortcuts? If you answered "Yes!" to at least one of those previous questions, then this book is for you! We've compiled the 2000 Most Common Words in German, a list of terms that will expand your vocabulary to levels previously unseen. Did you know that -- according to an important study -- learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your learning A list of 2000 of the most common words in German and their translations An example sentence for each word - in both German and English Finally, a conclusion to make sure you've learned and supply you with a final list of tips Don't look any further, we've got what you need right here! In fact, we're ready to turn you into a German speaker... are you ready to get involved in becoming one? Millions of people learn German but only a very small percentage of learners can actually speak it fluently. Why is that? People in general are quick to point out that some are naturally built more than others to learn German and other languages. This is not necessarily true, however, since we have all come to learn and speak our native language fluently. If you find yourself overwhelmed trying to memorize thousands of German vocabulary words or struggling to speak German with native speakers, try this book! This is not a textbook designed to teach German but a book that will teach you how to learn German the smart way and get you to fluency faster using highly effective language learning methods and techniques. There exists hundreds of German language coursebooks, German short stories books, German phrasebooks, but without smart language learning techniques and strategies, you are likely to forget what you have studied and reviewed and especially during a conversation. There exists an easier and more fun way to build your overall German language ability. In *How to Get Really Good at German*, discover how you can easily conquer German language learning using highly effective methods and strategies used by polyglots (language learning experts). These methods and techniques can even be used to help you learn German vocabulary and grammar from TV shows, videos, music, and video games. Start learning German smarter and faster today! An unmissable collection of eight unconventional and captivating short stories for young and adult learners. "I love Olly's work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller *A Mind for Numbers* Short Stories in German for Beginners has been written especially for students from beginner to intermediate level, designed to give a sense of achievement, and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference, these eight captivating stories will both entertain you, and give you a feeling of progress when reading. What does this book give you? · Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary · Controlled language at your level, including the 1000 most frequent words, to help you progress confidently · Authentic spoken dialogues, to help you learn conversational expressions and improve your speaking ability · Pleasure! It's much easier to learn a new language when you're having fun, and research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' · Accessible grammar so you learn new structures naturally, in a stress-free way Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including · A glossary for bolded words in each text · A bilingual word list · Full plot summary · Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed or frustrated. From science fiction to fantasy, to crime and thrillers, Short Stories in German for Beginners will make learning German easy and enjoyable. In this sequel to "Zurück in Zürich", Dino lands a promising new office job in Dresden with stable pay and promotion opportunities, but it's only so long before corporate implications force him to make a tough decision. While the stunning architecture and baroque allure of the capital of the Free State of Saxony seem like a fairytale at first, Dino soon meets some of its disgruntled citizens and starts investigating the roots of their rage. Explore Dresden, learn about local culture, history and improve your German effortlessly along the way! This book is designed to help beginners make the leap from studying isolated words and phrases to reading (and enjoying) naturally flowing German texts. Using simplified sentence structures and a very basic vocabulary, this collection of short stories is carefully crafted to allow even novice learners to appreciate and understand the intricacies of coherent German speech. Each chapter comes with a complete German-English dictionary, with a special emphasis on collocative phrases (high frequency word combinations), short sentences and expressions. By working with these "building blocks" instead of just single words, learners can accelerate their understanding and active usage of new material and make the learning process more fluid and fun. In just minutes a day you'll pick up the German you need for everyday situations--from meeting and greeting people to asking directions and handling simple business transactions. You'll learn basic vocabulary for directions, finding your way, introductions, entertainment, dining, shopping, banking, using the telephone and mail services, medical help and emergencies. Includes a cassette and pronunciation guide plus vocabulary cards and a pull-out bilingual dictionary. LANGUAGE SELF-STUDY TEXTS. Collins Italian with Paul Noble combines an exciting, new non-traditional approach to language learning with the easy, relaxed appeal of an audio-only product. No books. No rote memorisation. No chance of failure. With Paul Noble, everyone really can speak a language. Listen to over 13 hours of audio on 12 CDs, then use the accompanying booklet as a reference and revision tool. A native-speaking Italian expert helps Paul to deliver the course and to perfect your pronunciation. There is also a free introductory DVD to give you an insight into how the Paul Noble method works. No complicated grammatical explanations, no rote memorisation, no writing -- no stress. Learn over 6,000 words in no time at all and -- most importantly -- learn how to make your new vocabulary work for you. Learn modern German in 100 lively and entertaining lessons. In just five months, you will be able to hold a conversation with German speakers. The audio recordings, made by professional voice-over artists, are invaluable for picking up the rhythms of the spoken language. Workbook and CD Package An Introduction to Statistical Learning provides an accessible overview of the field of statistical learning, an essential toolset for making sense of the vast and complex data sets that have emerged in fields ranging from biology to finance to marketing to astrophysics in the past twenty years. This book presents some of the most important modeling and prediction techniques, along with relevant applications. Topics include linear regression, classification, resampling methods, shrinkage approaches, tree-based methods, support vector machines,

clustering, and more. Color graphics and real-world examples are used to illustrate the methods presented. Since the goal of this textbook is to facilitate the use of these statistical learning techniques by practitioners in science, industry, and other fields, each chapter contains a tutorial on implementing the analyses and methods presented in R, an extremely popular open source statistical software platform. Two of the authors co-wrote *The Elements of Statistical Learning* (Hastie, Tibshirani and Friedman, 2nd edition 2009), a popular reference book for statistics and machine learning researchers. *An Introduction to Statistical Learning* covers many of the same topics, but at a level accessible to a much broader audience. This book is targeted at statisticians and non-statisticians alike who wish to use cutting-edge statistical learning techniques to analyze their data. The text assumes only a previous course in linear regression and no knowledge of matrix algebra.
