In *The Adventures of Sheriff Frank and the Dachshund Posse: The Sheriff's Tail*, Sheriff Frank knows that everyone is born with a purpose in life. Can he help his friend Maggie find her purpose? HOME ON THE RANCH The Silver Dollar Ranch, near Tombstone, Arizona Virgil Bodine. Oldest of the Bodine brothers. One-time sheriff of Tombstone and former bodyguard to the stars. He's come home from California, with his reluctant ten-year-old son in tow. Desiree Hartlan is a big-city D.A. who talked herself out of a job—and is looking for a new one. The position of sheriff—an elected position—is open. Desiree decides to run. So does Virgil, figuring he'll win in a landslide. Next thing he knows, he's calling her sheriff. And boss. And...wife? This true story begins on Valentine's Day, 1961. 14 years old, Claudette Carolyn Covey went missing from Hondo, Texas. On Halloween evening, 1961, Claudette's remains were discovered eight miles from town in a field. She had been shot twice in the head. From the beginning, town folks believed that she was murdered by the corrupt sheriff or his 18-year-old son, whom she was dating. Because

of the corrupt sheriff's influence, no one was ever charged with the murder. The story follows the life of the sheriff's son from 1961 to his death in 1998. The son was on the edges of many similar murders of young girls in the Houston and Galveston areas-but he was never charged. After 1961, the sheriff's son was arrested twice for the rape of 12-year-old girls, essentially walking away from these charges due to the connections of his father. After the deaths of the father and son, former wives and step children, no longer terrified-came forward. They tell a horrific story of brutality, rape, incest and murder at the hands of the son. Our novel connects the dots and makes the case that a serial killer went to his grave never charged with his many crimes against young women. Discover the true meaning of Christmas with this beautiful, poignant story about overcoming loss, the strength of family, and finding love again... It's been five long years since Julia Bailey lost everything. Returning to Shadow Creek is every bit as hard and painful as she expected, but she's determined to finally face her fear, which also means spending Christmas with her former in-laws. For the first time in forever, Julia begins to feel the twinges of holiday spirit, especially as she spends more time with an old friend, the irresistible town sheriff, and his adorable daughter. Single dad and county Sheriff Chase Donovan was secretly in love with his best friend's wife for years. But after her traumatic loss, he knew Julia needed to go, even though helping her leave was the last thing he wanted to do. Now she's home and he doesn't intend to lose her a second time. Chase is going to prove to Julia just how good they can be together this Christmas...and forever. Each book in the Shadow Creek, Montana series is STANDALONE: * Christmas with the Sheriff * The Baby Bombshell * The Doctor's Redemption * Baby on the Bad Boy's Doorstep * The Firefighter's Pretend Fiance * A Christmas Miracle for the Doctor Surrendering To The Sheriff Discovering Kendall O'Neal being held at gunpoint at his ranch isn't the homecoming sheriff Aiden Braddock expects. And now Kendall's captors are demanding he destroy evidence in an upcoming trial in exchange for the Texas attorney's life...and the life of their unborn baby. Three months ago, Aiden and Kendall gave in to their long-simmering attraction. Now, with a child on the way, the stakes have shot sky-high. But even after he pulls off a daring rescue, Kendall isn't safe. Before long, they find temporary haven in each other's arms — which could be even more dangerous than facing down a killer. A Lawman's Justice The tip that sends FBI Special Agent Seth Calder to an abandoned warehouse in search of exonerating evidence brings him face-to-face with a familiar adversary. Thorn-in-his-side journalist Shelby Braddock is on her own search for the truth about a decades-old crime. Until they stumble on a crime scene...and end up fighting for their lives. Now, their only hope of survival is to work together. But something even more dangerous is drawing Seth closer to the gorgeous brunette. As he gives in to a

passion so strong it can erase the sins of the past, he must evade a relentless killer...and confront a shocking revelation no one could have predicted. In the spirit of Douglas Adams and Terry Pratchett, *The Sheriff of Yrnameer* is sci-fi comedy at its best—mordant, raucously funny, and a thrilling page-turner. Meet Cole: hapless space rogue and part-time smuggler. His sidekick just stole his girlfriend. The galaxy's most hideous and feared bounty hunter wants to lay eggs in his brain. And the luxury space yacht Cole just hijacked turns out to be filled with interstellar do-gooders, one especially loathsome stowaway, and a cargo of freeze-dried orphans. Cole gathers a misfit crew for a desperate journey to the far reaches of the galaxy: the mysterious world of Yrnameer, the very last of the "your-name-heres"—planets without corporate sponsors. But little does Cole suspect that this legendary utopia is home to a band of outlaws bent on destroying the planet's tiny, peaceful community. Greed, revenge, and general mendacity leave Sheriff Brick Walls and his deputies on new and dangerous encounters in this second book of the Brick Walls series. Upon becoming sheriff of Medina County, Texas, Brick Walls begins a new phase in his life. Being an Iraqi War veteran, Brick had looked death in the eye numerous times. And now his new career as sheriff of the county, which he grew up in, once again puts him in harms way. Who is stalking Brick, and is it related to the suitcase full of money his dog, Red, found two years ago? An aging Sheriff Donovan is coming to terms with his recent diagnosis of terminal cancer and desperate to maintain his tenuous grasp on Three Chop—the town he willed into existence. When Donovan enters into a bargain with a faction of rural Christian Prohibitionists, agreeing to shutter the local saloon and brothel, his plan to cement his legacy in the eyes of God meets resistance from the town's business elite, whose livelihoods depend on liquor sales. With a band of notorious outlaws descending on Three Chop, the dispute ignites into a furious battle that forces residents to take sides, to choose between the town's past and future. Never had Meg Dawson dreamed her trip home would lead to a whirlwind romance with the town's charismatic sheriff. But Logan MacDonald's past was still on his mind, and Meg knew their relationship couldn't lead to anything permanent.... Until the stick turned blue! Meg wanted this baby more than anything, yet she dreaded telling Logan about his impending fatherhood. She knew he'd offer marriage out of a sense of duty. But Meg vowed to say yes only when the sheriff's proposal was made for the sake of love. "Drop the gun, Sheriff." Discovering Kendall O'Neal being held at gunpoint at his ranch isn't the homecoming sheriff Aiden Braddock expects. And now Kendall's captors are demanding he destroy evidence in an upcoming trial in exchange for the Texas attorney's life... And the life of their unborn baby. Three months ago, Aiden and Kendall gave in to their long-simmering attraction. Now, with a child on the way, the stakes have shot sky-high. But even after he pulls off a daring rescue, Kendall isn't safe. Before long, they find temporary haven in each other's arms—which could be even more dangerous than facing down a killer. A cache of Venezuelan gold bullion is hijacked en route to safe-keeping in a bank vault, deep in the Swiss countryside; the heist orchestrated by the

elusive Mr Bonjour, an international man of mystery and villain. What happens when a tenacious sheriff takes on a determined cowgirl and her champion bull? It's never easy to make it in a man's world, and cowgirl Tori Tremayne has chased the same dream most of her life—producing a champion bucking bull on the pro rodeo circuit. With her prize bull Maximus, she's so close to winning top prize in the finals this year she can taste it. She can't afford any distractions, especially not the tall, dark and swoony sheriff she's admired all her life. Sheriff Gray Dalton has been in love with Tori since they were kids. He doesn't want to change Tori or derail her goals, but he does want to combine their dreams—build a life and family with her while she continues to pursue her career and passion. Gray knows he has to shake Tori up so that he can step out of the friend zone she's so determined to keep him in. Can Gray prove to Tori that with him she can have it all—career, love and a family? The safety of Silverhill rested on Rafe McClintock's broad shoulders. Good-natured but hard-nosed, the sheriff kept the peace in Colorado with a shotgun and a smile. At least until Dana Croft crossed into his jurisdiction. She was here on FBI duty—a dead body on the rez—but after all these years Rafe could still put a hitch in her throat. Though a star was pinned to the rangy cowboy's chest, he didn't have authority over her heart. As they hunted a killer together, across the reservation and into uncharted territory, Dana's secret threatened to explode at any moment. But before Rafe could wrap her in his protection, would their reunion be cut short? The hometown hero returns... And for Sarah Clay, that was the bad news—because Max Scalise had rejected her outright seven years ago. And now Max was back in Weaver, working as a sheriff and everywhere she turned. His slightest touch still caused her traitorous body to quake, but Sarah knew better. Didn't she? When it came to Sarah, Max was as much in love with her as ever. But he'd returned home to find that eyes that had once gazed at him with such trust now turned away. Still, he was a wiser man now...a man determined to win back her love. Even if it meant telling secrets that weren't his to reveal... When she stumbles over a body on a favorite hiking trail, the sheriff's wife becomes the chief sleuth in this short, prequel novella to *The Sheridan County Mysteries*. Summer is gorgeous in the mountains of Sheridan County, Wyoming, where Jo Wolf takes to the hiking trails to enjoy the scenery in-between her volunteer responsibilities as the organizer, caretaker, and de facto hiring manager for a rural school nestled among the ranches. A wife of a local sheriff, she wants to adopt a burro so that their own family ranch feels complete. Despite the fresh air, cool creeks, and kindhearted neighbors, Jo is struggling to hire for the upcoming school year. Whether frightened by proximity to bears or too attached to city lights, she can't find a teacher who will stick around. But when she stumbles over a stranger's body in the woods, her to-do list shifts as she takes on the role of amateur sleuth. If Jo can't identify the murderer in time, she won't make it to the first day of school. Enjoy this prequel novella in the cozy mystery series and take a trip to Sheridan County! Are you concerned about the direction America is headed? Who is out there in the trenches fighting for our freedom and

holding fast to the Constitution on our behalf? Our County Sheriffs are the last bastion of freedom against government overreach on a local and federal level. In *American Sheriff: Traditional Values in a Modern World* you will learn about one of those freedom fighters, Sheriff Mark Lamb, and how living overseas as a youth and ability to "Fear Not; Do Right" have shaped his ideals and convictions to love America. As the descendant of Pilgrims, he has been forged by hardships, wins, and losses to rise above the challenges and lead from the front, in Law Enforcement and in Politics. Read about the core values that has shaped Sheriff Lamb into the person he is and is becoming including: *Faith *Family *Love of Country *Courage *Perseverance Sheriff Lamb uses a unique business and marketing approach to politics, and empowering leadership style. You will be inspired by his patriotism, failures, wins, and hard work as you follow along with the stories of one of the most well known American Sheriffs of our times. Since 1850, the San Luis Obispo County Sheriff's Department has proudly served the community as the chief law enforcement agency. The office of sheriff was originally created by the California Constitution to meet the public safety needs of each county. From horseback to gigabit, the sheriff and his deputies have responded to the needs of the citizens by providing the highest quality of protection. While the manner in which service is delivered has changed significantly since 1850, the quality of protection has remained high throughout history and is chronicled in this unique portrayal. On an Earth decimated by war, a lone gunslinger delivers justice, protecting the innocent and righting the wrongs of a broken world. Some call him lawman. Some call him madman. Some call him vigilante. Some call him killer. Some call him legend. They all call him the Sheriff. This is his story. BOOK 3: Sheriff Duke continues his search for the elusive Colonel. A search that will lead him deeper into his past and a confrontation with a surprising and deadly opponent. Are you ever curious about what life would be like if you were married to a Politician? Do you ever wonder how the spouses of law enforcement officers handle the increasing danger and pressure they face every day just doing their job? Maybe you want to do something big in your life, but you just can't seem to get past the imaginary barrier that's holding you back because you feel too "ordinary". In "The Sheriff's Wife: Holding it All Together Behind The Scenes in Politics", Janel Lamb explores these topics with relatable experiences as a Wife, Mother, and support system to her famous Sheriff husband, and reveals how she learned how to "fake it till you make it" and face huge obstacles with grace under pressure. From depression and mom guilt, the campaign trail, and a visit to the White House, you will be inspired to go for big goals, even if you don't feel like you deserve it or even know where to start. "The Sheriff's Wife: Holding it all together behind the scenes in Politics" is a candid account of Janel's experience as the spouse behind the badge, with real stories about: Battling depression How to put yourself out there when you are a fish out of water Going Viral Mom Guilt Finding Joy in a never-ending journey Supporting a famous spouse without losing your identity Understanding that you don't have to be more than you already are to do something great Living the principles of Faith,

Family, and Freedom, Janel reveals how embracing the successes and ignoring the haters can strengthen your marriage, free you from guilt over things beyond your control, and bring peace to your life and family. In 1862, historical figure Electa Bryan comes to a remote Indian Agency in what is now Western Montana to teach native children. Instead she finds deprivation and loneliness—until she meets suave, handsome Henry Plummer and falls hopelessly in love. Rejecting her sister’s warning, she marries this stranger and moves to Bannack City. There, they pursue their vision of turning a primitive territory filled with greed, murder and mayhem into a civilized state, with Henry as governor. As sheriff, he is away from home most of the time enforcing the law, searching for a mysterious silver lode, or in the saloons. Electa is neglected and regimented, but blindly ignores the signs he is not all he seems, devotedly believing all he says. Until she meets Pearl. At Electa’s death in 1912, her son, Vernon Maxwell, inherits an eagle feather and a fortune. He sets out to learn why she left her husband so precipitously and why Henry was hanged for supposedly heading a gang of road agents who were killing innocent people and robbing gold shipment. What is the password he must know to secure his inheritance—Henry’s stolen gold? More importantly, can he discover his mother’s hidden past? Runaway Bride Caught When Kylie Jones catches her fianc kissing another girl moments before the wedding, she runs. Smack-dab into the new deputy sheriff, who knows her former fiance all too well. Kylie is deeply touched that Zach Clayton understands—more than she ever expected. The handsome cop is in their tiny Colorado town only to fulfill a family obligation, and then he's back to the big city. Unless Kylie can lead her love-shy lawman to the wedding they've both always dreamed of. In 1931, a 12-year-old boy shot and killed the sheriff of Asotin, Washington. The incident stunned the small town and a mob threatened to hang him. Both the crime and Herbert Niccolls's eventual sentence of life imprisonment at the Washington State Penitentiary in Walla Walla drew national attention, only to be buried later in local archives. Journalist Nancy Bartley has conducted extensive research to construct a compelling narrative of the events and characters that make this a unique episode in the history of criminal justice in the United States. Niccolls became a cause for Father Flanagan of Boys Town, who took to the airwaves, imploring listeners to write Governor Hartley on the boy's behalf. The bitter campaign put Hartley in such a negative light that he lost his bid for reelection. Under a new and progressive warden, Niccolls thrived in prison. Inmates like physician Peter Miller and literary agent James Ashe became his tutors, finding that Niccolls had an insatiable appetite for knowledge. During the deadly 1934 prison riot at Walla Walla, several prisoners kept him from harm. Niccolls was finally released from prison in his early twenties. He went to work at 20th Century Fox in Hollywood, where he kept his secret for the rest of his long life. The Boy Who Shot the Sheriff explores this little-known story

of a young boy's fate in the juvenile justice system during the bloodiest years in the nation's penitentiaries. The Last Sheriff in Texas would be an amazing allegory for our times, were it fiction. Instead it suggests cultural trenches that we view as new that were dug decades ago." —Houston Chronicle Beeville, Texas, was the most American of small towns—the place that GIs had fantasized about while fighting through the ruins of Europe, a place of good schools, clean streets, and churches. Old West justice ruled, as evidenced by a 1947 shootout when outlaws surprised popular sheriff Vail Ennis at a gas station and shot him five times, point-blank, in the belly. Ennis managed to draw his gun and put three bullets in each assailant; he reloaded and shot them three times more. Time magazine’s full-page article on the shooting was seen by some as a referendum on law enforcement owing to the sheriff’s extreme violence, but supportive telegrams from all across America poured into

Beeville’s tiny post office. Yet when a second violent incident threw Ennis into the crosshairs of public opinion once again, the uprising was orchestrated by an unlikely figure: his close friend and Beeville’s favorite son, Johnny Barnhart. Barnhart confronted Ennis in the election of 1952: a landmark standoff between old Texas, with its culture of cowboy bravery and violence, and urban Texas, with its lawyers, oil institutions, and a growing Mexican population. The town would never be the same again. The Last Sheriff in Texas is a riveting narrative about the postwar American landscape, an era grappling with the same issues we continue to face today. Debate over excessive force in law enforcement, Anglo-Mexican relations, gun control, the influence of the media, urban-rural conflict, the power of the oil industry, mistrust of politicians and the political process—all have surprising historical precedence in the story of Vail Ennis and Johnny Barnhart. Since the end of the Cold War, and especially since September 11, few issues have been more hotly debated than the United States' role in the world. In this hard-nosed but sophisticated examination, Colin S. Gray argues that America is the indispensable guardian of world order. Gray's constructive critique of recent trends in national security is holistic, rooting defense issues and prospective answers both in U.S. national security policy, broadly defined, and in the emerging international security environment. Colin S. Gray is professor of international politics and strategic studies at the University of Reading, England, and senior fellow at the National Institute for Public Policy in Fairfax, Virginia. He is the author of seventeen books, including Modern Strategy and Strategy for Chaos: Revolutions in Military Affairs and the Evidence of History. Sheriff Aiden Braddock must rescue then hide Texas attorney Kendall O'Neal when both their lives are threatened in connection with the trial of Kendall's sister for murder. Angels. Emma Cramer doesn't consider herself an angel by any stretch of the imagination. Temporarily stranded, broke and unable to pursue her dreams of working in the big city following her mother's death, Emma's life changes when she rescues a small child and a puppy who get trapped in a garage where Emma's truck has finally breathed its last. The girl's relieved and grateful grandmother believes Emma has been sent by angels because her family needs temporary help. She offers Emma a job, a good salary and a place to stay until after the holidays. It seems like a Christmas miracle for both of them. Angels often appear when least expected, but when the most needed. Cynical sheriff and rancher Cole Drayton has heard that all his life, but he's never been in the market for much else. He can take care of his daughter, his ranch and his family on his own without his meddling mother, but his long protected heart and desire for isolation is no match for a beautiful stranded stranger and a misfit puppy who make his daughter laugh and him feel alive again. Can unsuspecting hearts intersect at the moment when love and trust is needed most? Anything is possible with the magic of the Christmas season and faith in the Christmas angels
