***Fathers of Nations Jul 17 2022 The very best of the world's best researchers have discovered a way to develop Africa: Way Omega. Now Africa's heads of state are at a summit to approve it. If they do, it promises Africa will start developing immediately. Unknown to the summit are aggrieved conspirators plotting to defeat Way Omega and replace it with a rival strategy: Path Alpha. Their path, they say, is the only way. Should the summit still follow Way Omega, or make a U-turn? Fathers of Nations is a satire on contemporary African politics.***

***The New Jim Crow Jun 04 2021 Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—"one of the most influential books of the past 20 years," according to the Chronicle of Higher Education—with a new preface by the author "It is in no small part thanks to Alexander's account that civil rights organizations such as***

***Black Lives Matter have focused so much of their energy on the criminal justice system.”***  
***—Adam Shatz, London Review of Books***

***Seldom does a book have the impact of Michelle Alexander’s *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander’s unforgettable argument that “we have not ended racial caste in America; we have merely redesigned it.” As the Birmingham News proclaimed, it is “undoubtedly the most important book published in this century about the U.S.” Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.***

***A Nation under Our Feet Feb 12 2022 This is the epic story of how African-Americans, in the six decades following slavery, transformed themselves into a political people—an embryonic black nation. As Steven Hahn demonstrates, rural African-Americans were central political actors in the great events of disunion, emancipation, and nation-building. At the same time, Hahn asks us to think in more expansive ways about the nature and boundaries of politics and political practice. Emphasizing the importance of kinship, labor, and networks of communication, A Nation under Our Feet explores the political relations and sensibilities that developed under slavery and shows how they set the stage for grassroots mobilization. Hahn introduces us to local leaders, and shows how political communities were built, defended, and rebuilt. He also identifies the quest for self-governance as an essential goal of black politics across the rural South, from contests for local power during Reconstruction, to emigrationism, biracial electoral alliances, social separatism, and, eventually, migration. Hahn suggests that Garveyism and other popular forms of black nationalism absorbed and elaborated these earlier struggles, thus linking the first generation of migrants to the***

***urban North with those who remained in the South. He offers a new framework—looking out from slavery—to understand twentieth-century forms of black political consciousness as well as emerging battles for civil rights. It is a powerful story, told here for the first time, and one that presents both an inspiring and a troubling perspective on American democracy.***

***If I Ever Get Out of Here Apr 02 2021 Lewis "Shoe" Blake is used to the joys and difficulties of life on the Tuscarora Indian reservation in 1975: the joking, the Fireball games, the snow blowing through his roof. What he's not used to is white people being nice to him -- people like George Haddonfield, whose family recently moved to town with the Air Force. As the boys connect through their mutual passion for music, especially the Beatles, Lewis has to lie more and more to hide the reality of his family's poverty from George. He also has to deal with the vicious Evan Reiningger, who makes Lewis the special target of his wrath. But when everyone else is on Evan's side, how can he be defeated? And if George finds out the truth about Lewis's home -- will he still be his friend? Acclaimed adult author Eric Gansworth makes his YA debut with this wry and powerful novel about friendship, memory, and the joy of rock 'n'***

**Patron Saints of Nothing Mar 21 2020 A NATIONAL BOOK AWARD FINALIST "Brilliant, honest, and equal parts heartbreaking and soul-healing." --Laurie Halse Anderson, author of SHOUT "A singular voice in the world of literature." --Jason Reynolds, author of Long Way Down A powerful coming-of-age story about grief, guilt, and the risks a Filipino-American teenager takes to uncover the truth about his cousin's murder. Jay Reguero plans to spend the last semester of his senior year playing video games before heading to the University of Michigan in the fall. But when he discovers that his Filipino cousin Jun was murdered as part of President Duterte's war on drugs, and no one in the family wants to talk about what happened, Jay travels to the Philippines to find out the real story. Hoping to uncover more about Jun and the events that led to his death, Jay is forced to reckon with the many sides of his cousin before he can face the whole horrible truth -- and the part he played in it. As gripping as it is lyrical, Patron Saints of Nothing is a page-turning portrayal of the struggle to reconcile faith, family, and immigrant identity.**

**A Nation of Immigrants Jan 11 2022 Immigration makes America what it is and is**

**formative for what it will become. America was settled by three different models of immigration, all of which persist to the present. The Virginia Colony largely equated immigration with the arrival of laborers, who had few rights. Massachusetts welcomed those who shared the religious views of the founders but excluded those whose beliefs challenged the prevailing orthodoxy. Pennsylvania valued pluralism, becoming the most diverse colony in religion, language, and culture. This book traces the evolution of these three models of immigration as they explain the historical roots of current policy debates and options. Arguing that the Pennsylvania model has best served the country, the final chapter makes recommendations for future immigration reform. Given the highly controversial nature of immigration in the United States, this book provides thoughtful analysis, valuable to both academic and policy audiences.**

**Waves of War Sep 26 2020 A new perspective on how the nation-state emerged and proliferated across the globe, accompanied by a wave of wars. Andreas Wimmer explores these historical developments using social science techniques of analysis and datasets that cover the entire modern world.**

***Where the Heart Is Aug 26 2020 Talk about unlucky sevens. An hour ago, seventeen-year-old, seven months pregnant Novalee Nation was heading for California with her boyfriend. Now she finds herself stranded at a Wal-Mart in Sequoyah, Oklahoma, with just \$7.77 in change. But Novalee is about to discover hidden treasures in this small Southwest town--a group of down-to-earth, deeply caring people willing to help a homeless, jobless girl living secretly in a Wal-Mart. From Bible-thumping blue-haired Sister Thelma Husband to eccentric librarian Forney Hull who loves Novalee more than she loves herself, they are about to take her--and you, too--on a moving, funny, and unforgettable journey to . . . Where the Heart Is.***

***Crude Nation Oct 16 2019 Beneath Venezuelan soil lies an ocean of crude--the world's largest reserves--an oil patch that shaped the nature of the global energy business. Unfortunately, a dysfunctional anti-American, leftist government controls this vast resource and has used its wealth to foster voter support, ultimately wreaking economic havoc. Crude Nation reveals the ways in which this mismanagement has led to Venezuela's economic ruin and turned the country into a cautionary tale for the world.***

***Raúl Gallegos, a former Caracas-based oil correspondent, paints a picture both vivid and analytical of the country's economic decline, the government's foolhardy economic policies, and the wrecked lives of Venezuelans. Without transparency, the Venezuelan government uses oil money to subsidize life for its citizens in myriad unsustainable ways, while regulating nearly every aspect of day-to-day existence in Venezuela. This has created a paradox in which citizens can fill up the tanks of their SUVs for less than one American dollar while simultaneously enduring nationwide shortages of staples such as milk, sugar, and toilet paper. Gallegos's insightful analysis shows how mismanagement has ruined Venezuela again and again over the past century and lays out how Venezuelans can begin to fix their country, a nation that can play an important role in the global energy industry.***

***Comic Book Nation May 15 2022 A history of comic books from the 1930s to 9/11.***

***The Shame of the Nation Aug 18 2022 Since the early 1980s, when the federal courts began dismantling the landmark ruling in *Brown v. Board of Education*, segregation of black children has reverted to its highest level since 1968. In many inner-city schools, a stick-***

**and-carrot method of behavioral control traditionally used in prisons is now used with students. Meanwhile, as high-stakes testing takes on pathological and punitive dimensions, liberal education has been increasingly replaced by culturally barren and robotic methods of instruction that would be rejected out of hand by schools that serve the mainstream of society. Filled with the passionate voices of children, principals, and teachers, and some of the most revered leaders in the black community, *The Shame of the Nation* pays tribute to those undefeated educators who persist against the odds, but directly challenges the chilling practices now being forced upon our urban systems. In their place, Kozol offers a humane, dramatic challenge to our nation to fulfill at last the promise made some 50 years ago to all our youngest citizens.**

***Imagined Communities* Apr 14 2022 The definitive, bestselling book on the origins of nationalism, and the processes that have shaped it. *Imagined Communities*, Benedict Anderson's brilliant book on nationalism, forged a new field of study when it first appeared in 1983. Since then it has sold over a quarter of a million copies and is widely considered the most important book on the**

***subject. In this greatly anticipated revised edition, Anderson updates and elaborates on the core question: what makes people live and die for nations, as well as hate and kill in their name? Anderson examines the creation and global spread of the 'imagined communities' of nationality, and explores the processes that created these communities: the territorialization of religious faiths, the decline of antique kinship, the interaction between capitalism and print, the development of secular languages-of-state, and changing conceptions of time and space. He shows how an originary nationalism born in the Americas was adopted by popular movements in Europe, by imperialist powers, and by the movements of anti-imperialist resistance in Asia and Africa. In a new afterword, Anderson examines the extraordinary influence of Imagined Communities, and the book's international publication and reception, from the end of the Cold War era to the present day.***

***The Astonishing Life of Octavian Nothing, Traitor to the Nation, Volume I Nov 28 2020 National Book Award Winner! This deeply provocative novel reimagines the past as an eerie place that has startling resonance for readers today. It sounds like a fairy tale. He is***

***a boy dressed in silks and white wigs and given the finest of classical educations. Raised by a group of rational philosophers known only by numbers, the boy and his mother — a princess in exile from a faraway land — are the only persons in their household assigned names. As the boy's regal mother, Cassiopeia, entertains the house scholars with her beauty and wit, young Octavian begins to question the purpose behind his guardians' fanatical studies. Only after he dares to open a forbidden door does he learn the hideous nature of their experiments — and his own chilling role in them. Set against the disquiet of Revolutionary Boston, M. T. Anderson's extraordinary novel takes place at a time when American Patriots rioted and battled to win liberty while African slaves were entreated to risk their lives for a freedom they would never claim. The first of two parts, this deeply provocative novel reimagines the past as an eerie place that has startling resonance for readers today.***

***A Nation Rising Oct 28 2020 “History in Davis’s hands is loud, coarse, painful, funny, irreverent—and memorable.” — San Francisco Chronicle Following on his New York Times bestsellers America’s Hidden History and Don’t Know Much About History, Ken Davis***

***explores the next chapter in the country's hidden history: the gritty first half of the 19th century, among the most tumultuous in the nation's short life.***

***A Colony in a Nation Dec 22 2022 New York Times Bestseller New York Times Book Review Editors' Choice "An essential and groundbreaking text in the effort to understand how American criminal justice went so badly awry." —Ta-Nehisi Coates, author of *Between the World and Me* In *A Colony in a Nation*, New York Times best-selling author and Emmy Award-winning news anchor Chris Hayes upends the national conversation on policing and democracy. Drawing on wide-ranging historical, social, and political analysis, as well as deeply personal experiences with law enforcement, Hayes contends that our country has fractured in two: the Colony and the Nation. In the Nation, the law is venerated. In the Colony, fear and order undermine civil rights. With great empathy, Hayes seeks to understand this systemic divide, examining its ties to racial inequality, the omnipresent threat of guns, and the dangerous and unfortunate results of choices made by fear.***

***Predator Nation May 23 2020 Charles Ferguson, who electrified the world with his***

***Academy Award-winning documentary, Inside Job, now reveals how rogues with influence have taken over the country and are driving it to financial and social ruin. In Predator Nation, Ferguson exposes the networks of academic, government, and congressional influence--in all recent administrations, including Obama's--that prepared the path to conquest. He reveals how once-revered figures like Alan Greenspan and Larry Summers have become mere courtiers to the elite. And based on many newly released court filings, he details the extent of the crimes--there is no other word--committed in the frenzied chase for storied wealth that marked the 2000s. And, finally, he lays out a brief plan of action for how we might take it back.***

***The Autobiography of Malcolm X May 03 2021  
The Autobiography of Malcolm X was intended to be a true autobiography, with the name of Alex Haley appearing not at all or as a ghost writer or as a mere contributor or assistant. However, with the assassination of Malcolm X having occurred in Harlem in New York City on February 21, 1965 just before this book could be published, it became necessary to reveal the important role of Alex Haley in creating this book.***

***Debtor Nation Jul 25 2020 Before the twentieth century, personal debt resided on the fringes of the American economy, the province of small-time criminals and struggling merchants. By the end of the century, however, the most profitable corporations and banks in the country lent money to millions of American debtors. How did this happen? The first book to follow the history of personal debt in modern America, Debtor Nation traces the evolution of debt over the course of the twentieth century, following its transformation from fringe to mainstream--thanks to federal policy, financial innovation, and retail competition. How did banks begin making personal loans to consumers during the Great Depression? Why did the government invent mortgage-backed securities? Why was all consumer credit, not just mortgages, tax deductible until 1986? Who invented the credit card? Examining the intersection of government and business in everyday life, Louis Hyman takes the reader behind the scenes of the institutions that made modern lending possible: the halls of Congress, the boardrooms of multinationals, and the back rooms of loan sharks. America's newfound indebtedness resulted not from a culture in decline, but from changes in the***

**larger structure of American capitalism that were created, in part, by the choices of the powerful--choices that made lending money to facilitate consumption more profitable than lending to invest in expanded production. From the origins of car financing to the creation of subprime lending, Debtor Nation presents a nuanced history of consumer credit practices in the United States and shows how little loans became big business.**

**Bud, Not Buddy Dec 30 2020 The Newbery Medal and Coretta Scott King Award-winning classic about a boy who decides to hit the road to find his father—from Christopher Paul Curtis, author of *The Watsons Go To Birmingham—1963*, a Newbery and Coretta Scott King Honoree. It's 1936, in Flint Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud's got a few things going for him: 1. He has his own suitcase full of special things. 2. He's the author of *Bud Caldwell's Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself*. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once**

***Nineteen Eighty-Four Dec 18 2019 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of***

***personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.***

***American Crucible Jan 19 2020 This sweeping history of twentieth-century America follows the changing and often conflicting ideas about the fundamental nature of American society: Is the United States a social melting pot, as our civic creed warrants, or is full citizenship somehow reserved for those who are white and of the "right" ancestry? Gary Gerstle traces the forces of civic and racial nationalism, arguing that both profoundly shaped our society. After Theodore Roosevelt led his Rough Riders to victory during the Spanish American War, he boasted of the diversity of his men's origins- from the Kentucky backwoods to the Irish, Italian, and Jewish neighborhoods of northeastern cities. Roosevelt's vision of a hybrid and superior "American race," strengthened by war, would inspire the social, diplomatic, and economic policies of American liberals for decades. And yet, for all of its appeal to the civic principles***

***of inclusion, this liberal legacy was grounded in “Anglo-Saxon” culture, making it difficult in particular for Jews and Italians and especially for Asians and African Americans to gain acceptance. Gerstle weaves a compelling story of events, institutions, and ideas that played on perceptions of ethnic/racial difference, from the world wars and the labor movement to the New Deal and Hollywood to the Cold War and the civil rights movement. We witness the remnants of racial thinking among such liberals as FDR and LBJ; we see how Italians and Jews from Frank Capra to the creators of Superman perpetuated the New Deal philosophy while suppressing their own ethnicity; we feel the frustrations of African-American servicemen denied the opportunity to fight for their country and the moral outrage of more recent black activists, including Martin Luther King, Jr., Fannie Lou Hamer, and Malcolm X. Gerstle argues that the civil rights movement and Vietnam broke the liberal nation apart, and his analysis of this upheaval leads him to assess Reagan’s and Clinton’s attempts to resurrect nationalism. Can the United States ever live up to its civic creed? For anyone who views racism as an aberration from the liberal premises of the republic, this book is must***

**reading. Containing a new chapter that reconstructs and dissects the major struggles over race and nation in an era defined by the War on Terror and by the presidency of Barack Obama, American Crucible is a must-read for anyone who views racism as an aberration from the liberal premises of the republic.**

**Summary of One Nation Mar 01 2021**

**Start-up Nation Oct 20 2022 START-UP**

**NATION addresses the trillion dollar question: How is it that Israel-- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country's adversity-driven culture, which flattens hierarchy and elevates informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the "Israel effect", there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there's never been a better time to look at this remarkable and resilient nation for some**

***“Remarkable. . . . Iweala never wavers from a gripping, pulsing narrative voice. . . . He captures the horror of ethnic violence in all its brutality and the vulnerability of youth in all its innocence.” —Entertainment Weekly (A)***  
***The harrowing, utterly original debut novel by Uzodinma Iweala about the life of a child soldier in a war-torn African country As civil war rages in an unnamed West-African nation, Agu, the school-aged protagonist of this stunning novel, is recruited into a unit of guerilla fighters. Haunted by his father’s own death at the hands of militants, which he fled just before witnessing, Agu is vulnerable to the dangerous yet paternal nature of his new commander. While the war rages on, Agu becomes increasingly divorced from the life he had known before the conflict started—a life of school friends, church services, and time with his family, still intact. As he vividly recalls these sunnier times, his daily reality continues to spin further downward into inexplicable brutality, primal fear, and loss of selfhood. In a powerful, strikingly original voice, Uzodinma Iweala leads the reader through the random travels, betrayals, and violence that mark Agu’s new community.***

***How I Became A Ghost Aug 06 2021 A Choctaw boy tells in his own words the story of his tribe's removal from the only land its people have ever known, and how their journey to Oklahoma led him to become a ghost — one with the ability to help those he left behind. Isaac leads a remarkable foursome of Choctaw comrades: a tough minded teenage girl, a shape-shifting panther boy, a lovable five-year-old ghost who only wants her mom and dad to be happy, and Isaac's talking dog, Jumper. The first in a series, *How I Became a Ghost* thinly disguises an important and oft-overlooked piece of history.***

***The War That Forged a Nation Jan 31 2021 More than 140 years ago, Mark Twain observed that the Civil War had "uprooted institutions that were centuries old, changed the politics of a people, transformed the social life of half the country, and wrought so profoundly upon the entire national character that the influence cannot be measured short of two or three generations." In fact, five generations have passed, and Americans are still trying to measure the influence of the***

***immense fratricidal conflict that nearly tore the nation apart. In *The War that Forged a Nation*, Pulitzer Prize-winning historian James M. McPherson considers why the Civil War remains so deeply embedded in our national psyche and identity. The drama and tragedy of the war, from its scope and size--an estimated death toll of 750,000, far more than the rest of the country's wars combined--to the nearly mythical individuals involved--Abraham Lincoln, Robert E. Lee, Stonewall Jackson--help explain why the Civil War remains a topic of interest. But the legacy of the war extends far beyond historical interest or scholarly attention. Here, McPherson draws upon his work over the past fifty years to illuminate the war's continuing resonance across many dimensions of American life. Touching upon themes that include the war's causes and consequences; the naval war; slavery and its abolition; and Lincoln as commander in chief, McPherson ultimately proves the impossibility of understanding the issues of our own time unless we first understand their roots in the era of the Civil War. From racial inequality and conflict between the North and South to questions of state sovereignty or the role of government in social change--these issues,***

**McPherson shows, are as salient and controversial today as they were in the 1860s. Thoughtful, provocative, and authoritative, The War that Forged a Nation looks anew at the reasons America's civil war has remained a subject of intense interest for the past century and a half, and affirms the enduring relevance of the conflict for America today.**

**Black Panther Nov 09 2021 Collects Black Panther (2016) #5-8, Jungle Action #6-7. Counting down the final days of the kingdom of Wakanda! As Zenzi and The People poison Wakanda's citizens against the Black Panther, a cabal of nation-breakers is assembled. And Ayo and Aneka, the Midnight Angels, are courted to raise their land to new glory! His allies dwindling, T'Challa must rely on his elite secret police, the Hatut Zeraze, and fellow Avenger Eden Fesi, a.k.a. Manifold! And with T'Challa's back truly against the wall, some old friends lend a hand: Luke Cage, Misty Knight and Storm! But Wakanda may be too far gone for this all-new, all-different crew — and there's one job the Panther must handle alone. Only he can voyage into the Djalia! Getting there is hard enough, but can he even find his sister Shuri inside Wakanda's collective memory?**

**In Persuasion Nation Nov 16 2019 Contains a**

**collection of short satirical works, including "The Red Bow," in which a town is consumed by pet-killing hysteria, and "Bohemians," in which two Eastern European widows attempt to fit into suburban America.**

**A Different Mirror for Young People Dec 10 2021 A longtime professor of Ethnic Studies at the University of California at Berkeley, Ronald Takaki was recognized as one of the foremost scholars of American ethnic history and diversity. When the first edition of A Different Mirror was published in 1993, Publishers Weekly called it "a brilliant revisionist history of America that is likely to become a classic of multicultural studies" and named it one of the ten best books of the year. Now Rebecca Stefoff, who adapted Howard Zinn's best-selling A People's History of the United States for younger readers, turns the updated 2008 edition of Takaki's multicultural masterwork into A Different Mirror for Young People. Drawing on Takaki's vast array of primary sources, and staying true to his own words whenever possible, A Different Mirror for Young People brings ethnic history alive through the words of people, including teenagers, who recorded their experiences in letters, diaries, and poems. Like Zinn's A People's History, Takaki's**

***A Different Mirror offers a rich and rewarding "people's view" perspective on the American story.***

***The American Dream Sep 19 2022 The first "narrative history" traces the thread that binds the dreams and aspirations of most Americans together, exploring shared history and sacred texts--the Constitution and the Declaration of Independence--in search of the origins of these ideas.***

***Dread Nation Nov 21 2022 New York Times bestseller; 6 starred reviews! At once provocative, terrifying, and darkly subversive, Dread Nation is Justina Ireland's stunning vision of an America both foreign and familiar—a country on the brink, at the explosive crossroads where race, humanity, and survival meet. Jane McKeene was born two days before the dead began to walk the battlefields of Gettysburg, Pennsylvania—derailing the War Between the States and changing the nation forever. In this new America, safety for all depends on the work of a few, and laws like the Native and Negro Education Act require certain children attend combat schools to learn to put down the dead. But there are also opportunities—and Jane is studying to become an Attendant, trained in both weaponry and***

***etiquette to protect the well-to-do. It's a chance for a better life for Negro girls like Jane. After all, not even being the daughter of a wealthy white Southern woman could save her from society's expectations. But that's not a life Jane wants. Almost finished with her education at Miss Preston's School of Combat in Baltimore, Jane is set on returning to her Kentucky home and doesn't pay much mind to the politics of the eastern cities, with their talk of returning America to the glory of its days before the dead rose. But when families around Baltimore County begin to go missing, Jane is caught in the middle of a conspiracy, one that finds her in a desperate fight for her life against some powerful enemies. And the restless dead, it would seem, are the least of her problems. "Abundant action, thoughtful worldbuilding, and a brave, smart, and skillfully drawn cast entertain as Ireland illustrates the ignorance and immorality of racial discrimination and examines the relationship between equality and freedom." (Publishers Weekly, "An Anti-Racist Children's and YA Reading List")***
