Through the prism of 'Nowa Huta', a landmark of socialist industrialization, Trappmann challenges the one-sided account of Poland as a successful transition case and reveals the ambivalent role of the European Union in economic restructuring. An exemplary, suggestive case of multi-level analysis research. "A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of **SAVED From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)** revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, **A QUEST OF HEROES** is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, **A MARCH OF KINGS**, is now available, too. "Grabbed my attention from the beginning and did not let go....This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found." --Paranormal Romance Guild {regarding Turned} "Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love

all over again.” --vampirebooksite.com (regarding Turned) “A great plot, and this especially was the kind of book you will have trouble putting down at night. The ending was a cliffhanger that was so spectacular that you will immediately want to buy the next book, just to see what happens.” --The Dallas Examiner {regarding Loved} As archetypes of human virtue and vice, the gods and heroes of ancient Greece and Rome have figured prominently in Western culture. In art, they have been portrayed time and time again, especially during the Renaissance, Baroque, and Neoclassical periods. *Gods and Heroes in Art* aims to help museum patrons and art lovers recognize the legendary characters of classical antiquity in art. The characters are each described in entries summarizing their distinctive stories, their special attributes, and the ways in which artists have depicted them. Each entry is richly illustrated with reproductions of works of art in which the god or hero is pictured, giving readers a chance to examine images of the character and to understand the work of art better. The informative guide first surveys the pantheon of the Greco-Roman world, then focuses on characters from the Trojan War and *The Odyssey*. The next sections describe kings, philosophers, warriors, and other historical figures. The book concludes with useful indexes, including a list of iconographic symbols associated with the subjects, and a bibliography of essential resources.

A boy asks his father for help after his teacher asks each of her pupils to name a veteran whom he or she knows. The boy soon discovers that many of the familiar people who work in his neighborhood are heroes who have served in the country's military. ""Be holy, for I am holy"" (Leviticus 11:44). God wants His people to be holy. But, how do we do it? What does it really look like to be holy? The book of Leviticus is essential in understanding what it means to be holy. Unfortunately, it has largely been neglected in study over the years by believers in Jesus Christ. What if God gave specific principles in Leviticus that would be vital for our relationship with Him? What if He told us how to be holy? What if He told us how we are to worship Him? Join us as we walk through Leviticus together, chapter by chapter, and see how we should live in light of God's Word. We will learn what it means to be holy. We will look at the offerings instructed by God and see how Jesus ultimately fulfills each. We will examine the yearly feasts and discuss the importance behind each in its original context. Leviticus is such a rich book. Let's walk through it together. Join me. Heroes and heroines in antiquity inhabited a space somewhere between gods and humans. In this detailed, yet brilliantly wide-ranging analysis, Christopher Jones starts from literary heroes such as Achilles and moves to the historical record of those exceptional men and women who were worshiped after death. He asks why and how mortals were heroized, and what exactly becoming a hero entailed in terms of religious action and belief. He proves that the growing popularity of heroizing the dead—fallen warriors, family members, magnanimous citizens—represents not a decline from earlier practice but an adaptation to new contexts and modes of thought. The most famous example of this process is Hadrian's beloved, Antinoos, who can now be located within an ancient tradition of heroizing extraordinary youths who died prematurely. This book, wholly new and beautifully written, rescues the hero from literary metaphor and vividly restores heroism to the reality of ancient life. The era of the Three Kingdoms was a time of chaotic wars. The times created heroes, and the chaotic times were the best stage for heroes to display their talents. The era of the Three Kingdoms was destined to be an era where heroes emerged. Scope: theology, philosophy, ethics of various religions and ethical systems and relevant portions of anthropology, mythology, folklore, biology, psychology, economics and sociology. Features ninety devotions about people in the Bible and their stories of triumph and failure, as well as a section in each devotion that helps readers apply the lessons from each story to their own lives. Donald Dale Walker examines one of Paul's most rhetorically dramatic texts in order to reveal how it relies on the commonplace ideas and argumentative strategies of the Hellenistic world. As a result, the reader can see how the apostle invented his ideas and appreciate how inextricably Paul's mission was wrapped up in the world in which he lived. Guiding you to the best of everything in Vermont for over 30 years! Although *Explorer's Guide Vermont* covers the entire Green Mountain State, the authors pride themselves on their detailed coverage of the state's less-traveled areas, especially the Northeast Kingdom. You'll also find in-depth descriptions of major Vermont destinations like Burlington, Brattleboro, Manchester, and Woodstock. They always highlight the most interesting and rewarding places to visit, whether on back roads or in bigger cities—artists' studios, family farms, and historic sites among them. This guide provides great recommendations for every activity you're looking for—mountain and road biking; hiking and swimming; skiing, snowshoeing, and snowboarding; horseback riding, fishing, and

paddling—and many more, both on and off the beaten track. This volume explores the relationship of hero to celebrity and the changing role of the hero in American culture. It establishes that the nature of hero and its function in society is a communication phenomenon, which has been and is being altered by the rapid advance of electronic media. In *Hero Maker*, you will learn how to bring real change to your church and community by developing the practical skills to help others reach their leadership potential. Drawing on five powerful practices found in the ministry of Jesus, *Hero Maker* presents the key steps of apprenticeship that will build up other leaders and provide strategies for how you can: activate the gifts of those around you help others take ownership of their mission develop a simple scorecard for measuring your kingdom-building progress With rich insights from the Gospels, *Hero Maker* is packed with real-life ministry stories ranging from paid staff to volunteer leaders--from established churches to new church plants. Whether you lead ten people or ten thousand, *Hero Maker* will not only help you maximize your leadership impact; but, in doing so, you will also help shift today's church culture to a model of reproduction and multiplication. Chicago pastor and church planter Dave Ferguson and award-winning writer Warren Bird make a compelling case that God's power and purpose are best revealed when we train and release others to further advance the Kingdom of God. By becoming a hero maker and investing in others, you can join a movement of influencers that are impacting thousands of people around the world. Everybody wants to be a hero, but few understand the power of being a hero maker. William Bennett and Michael Hague, the team that brought us the national bestseller *The Children's Book of Virtues*, have once again collaborated to create *The Children's Book of Heroes*, a beautifully illustrated celebration of heroic deeds, both real and fictional, that will delight and inspire millions of young children and their parents. "We all need a hero or two to help us stand fast and think right," says William J. Bennett, author of *The Book of Virtues*, the bestseller that millions of American families turn to for moral inspiration. With excerpts chosen for young children, this new treasury presents splendid tales of the valor and indomitable spirit that are a lasting testament to our cherished values. Jackie Robinson stands fast on the playing field and his strength of character inspires a nation. David slays Goliath and his faith and bravery give hope to underdogs everywhere. A little boy goes in search of an angel and finds one who guards him day and night: his own mother. From Abraham Lincoln and Mother Teresa to warriors on the battlefield, real moms and dads, and even young girls and boys, here are worthy and heroic figures all kids can look up to and emulate. *The Children's Book of Heroes* is a celebration of the endurance, sacrifice, courage, and compassion that characterize truly heroic deeds. "Heroes of Israel" by Theodore Gerald Soares. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Born into a privileged southern American family, Lottie Moon became a missionary to the poorest cities in China, risking her life for others. *Be a Hero* challenges the Body of Christ to be enlisted in the battle for mercy and social justice. It opens with God's interaction in the affairs of men and His plan to redeem the 'invisible' people through justice, mercy and compassion. Setting the stage theologically, the authors then unveils the great exploits of those who have gone before us and the impact that they made in their own times and on their own culture. Practical steps are offered to the reader to empower them to make a difference in their world. Whether reading for themselves or being read to, children will love the captivating stories, language, and art of these unforgettable picture books. Families will want to collect the whole series Amy Carmichael (1867-1951) rescued hundreds of women and children, first in Irish slums and then in India, by fearing God and nothing else.
