**The War of the Fatties and Other Stories from Aztec History Oct 12 2019** In "The War of the Fatties," a campy, tongue-in-cheek retelling of an episode from the Mexican "Trojan War," naked fat women from Tlatelolco discombobulate Tenochtitlan's invading army by squirting them with breast milk. Told with satiric allusions to the policies and tactics used by Mexico's current ruling party, PRI, to consolidate its power, the play unfolds a history of vain rivalry and decadence, intricate political maneuvers, corruption, and unchecked ambition that determined the course of Mexican history for two centuries before the Spanish conquest. Novo's other works in this collection—"A Few Aspects of Sex among the Nahuas," "Ahuítzotl and the Magic Water," "Cuauhtémoc: Play in One Act," "Cuauhtémoc and Eulalia: A Dialogue," "Malinche and Carlota: A Dialogue," and "In Ticitézcatl or The Enchanted Mirror: Opera in Two Acts"—represent nearly all of his Aztec-related writings. Taken together, they provide a delightful introduction to Novo's later works and a light-hearted, historically accurate introduction to Aztec culture. The text is supplemented by a glossary of Nahuatl terms, notes on the historical characters, and an introduction that provides historical background and places Novo's works within their cultural context.

**Shamanic Journeys, Shamanic Stories Jun 19 2020** A shamanic journey is one that generally takes place in a trance state to the sound of a drumbeat, through dancing, or by ingesting psychoactive drugs, in which aid is sought from beings in other realities, generally for healing purposes or for divination. A shamanic story has either been based on or inspired by a shamanic journey, or one that contains a number of the elements typical of such a journey. In this collection of fascinating journeys and stories, Michael Berman reveals the healing nature of shamanic practice.

**Mafia and Outlaw Stories from Italian Life and Literature Nov 12 2019** The first of its kind in English, *Mafia and Outlaw Stories from Italian Life and Literature* is a selection of readings from Italian fiction and non-fiction writers on the subject of the Mafia. Among the renowned writers featured are Giovanni Verga, Grazia Deledda, Anna Maria Ortese, Livia De Stefani, and Silvana La Spina, as well as famous witnesses such as Felicia Impastato, Letizia Battaglia, and Rita Atria who provide personal, often terrifying testimonies about their experiences with the Mafia. It is a historically diverse examination of criminal and outlaw institutions by some of the most significant figures in Italian literature. These newly translated writings show the ways in which Italians perceived and wrote about the Mafia and crime from the 1880s to the 1990s. Among them are stories dealing with the important legends used by the Mafia as sources for their image and ideology, legends such as the brigand and the Blessed Paulists. Some of the fascinating themes discussed are connections between the Mafia, the State, and the Catholic Church; the Mafia and children; women and the Mafia; the Black Hand; and relations between the Mafia and the Allied Forces during the Second World War. Robin Pickering-Iazzi incorporates an invaluable introduction that charts key periods in the history of Italy and the Mafia, and profiles each of the authors in the collection, noting their major works in Italian as well as those available in English. These and other features make this text especially appropriate for courses in Italian studies. *Mafia and Outlaw Stories from Italian Life and Literature* takes a unique and intriguing approach to the subject of the Mafia, and offers informed judgements about its historical impact on Italian society and culture.

***The Stories of Eva Luna*** Jan 19 2023 "Tell me a story no one has heard before", Eva Luna's lover asks her, and Eva Luna obliges with an enchanting medley that evokes all the pathos, love, joy, and misery of life in Latin America. Set from the humid Caribbean to the Antarctic tip of Argentina, Allende's stories capture the richness of the Latin American experience and range in theme from the extinction of Amazon tribes to the modern theory that love can conquer cancer. In *The Stories of Eva Luna* Allende employs magical realism to integrate dreamlike elements into the landscape of her Latin American characters. The result, a provocative collection showcasing her haunting mythic voice and fantastic imagery, prompted the San Francisco Chronicle to say, "Allende again shows her brilliance as a storyteller". **Queer Apocalypses Sep 03 2021** This book is an attempt to save “the sexual” from the oblivion to which certain strands in queer theory tend to condemn it, and at the same time to limit the risks of anti-politics and solipsism contained in what has been termed antisocial queer theory. It takes a journey from Sigmund Freud to Mario Mieli and Guy Hocquenghem, from Michel Foucault and Judith Butler to Teresa de Lauretis, Leo Bersani, Lee Edelman, and Tim Dean, and from all of these thinkers back to Immanuel Kant and Thomas Hobbes. At the end, through readings of Bruce LaBruce’s movies on gay zombies, the elitism of antisocial queer theory is brought into contact with popular culture. The living dead come to represent a dispossessed form of subjectivity, whose monstrous drives are counterposed to predatory desires of liberal individuals. The reader is thus lead into the interstitial spaces of the Queer Apocalypses, where the past and the future collapse onto the present, and sexual minorities resurrect to the chance of a non-heroic political agency.

**Spanish Stories of the Romantic Era /Cuentos españoles del Romanticismo** Jul 21 2020 These twelve classic short stories reflect the idealistic and exotic appeal of a golden age in Spanish literature. Published from the 1830s to the 1860s, the heyday of the Romantic era, they remain popular with readers of every generation. Featured authors include "Fernán Caballero," Ramón de Mesonero Romanos, Juan Eugenio Hartzenbusch, Mariano José de Larra, Enrique Gil y Carrasco, and Gustavo Adolfo Bécquer. This dual-language edition features an informative introduction and ample footnotes, making it not only a pleasure to read but also a valuable learning and teaching aid for students and teachers of Spanish literature. Together with Dover's Spanish Stories of the Late Nineteenth Century, it offers a wide-ranging survey of an important literary age.

**The Book of Archives and Other Stories from the Mora Valley, New Mexico** Jul 01 2021 In the shadow of the Sangre de Cristo Mountains, New Mexico's Mora Valley harbors the ghosts of history: troubadours and soldiers, Plains Indians and settlers, families fleeing and finding home. There, more than a century ago, villagers collect scraps of paper documenting the valley's history and their identity—military records, travelers' diaries, newspaper articles, poetry, and more—and bind them into a leather portfolio known as "The Book of Archives." When a bomb blast during the Mexican-American War scatters the book's contents to the wind, the memory of the accounts lives on instead in the minds of Mora residents. Poets and storytellers pass down the valley's traditions into the twentieth century, from one generation to the next. In this pathbreaking dual-language volume, author A. Gabriel Meléndez joins their ranks, continuing the retelling of Mora Valley's tales for our time. A native of Mora with *el don de la palabra*, the divine gift of words, Meléndez mines historical sources and his own imagination to reconstruct the valley's story, first in English and then in Spanish. He strings together humorous, tragic, and quotidian vignettes about historical events and unlikely occurrences, creating a vivid portrait of Mora, both in cultural memory and present reality. Local gossip and family legend intertwine with Spanish-language ballads and the poetry of New Mexico's most famous dueling troubadours, Old Man Vilmas and the poet García. Drawing on New Mexican storytelling tradition, Meléndez weaves a colorful dual-language representation of a place whose irresistible characters and unforgettable events, and the inescapable truths they embody, still resonate today.

**When Stories Travel** May 19 2020 Adapting fiction into film is, as author Cristina Della Coletta asserts, a transformative encounter that takes place not just across media but across different cultures. In this book, Della Coletta explores what it means when the translation of fiction into film involves writers, directors, and audiences who belong to national, historical, and cultural formations different from that of the adapted work. In particular, Della Coletta examines narratives and films belonging to Italian, North American, French, and Argentine cultures. These include Luchino Visconti's adaptation of James M. Cain's *The Postman Always Rings Twice*, Federico Fellini's version of Edgar Allan Poe's story "Never Bet the Devil Your Head," Alain Corneau's film based on Antonio Tabucchi's *Notturmo indiano*, and Bernardo Bertolucci's take on Jorge Luis Borges's "Tema del traidor y del héroe." In her framework for analyzing these cross-cultural film adaptations, Della Coletta borrows from the philosophical hermeneutics of Hans-Georg Gadamer and calls for a "hermeneutics of estrangement," a practice of mediation and adaptation that defines cultures, nations, selfhoods, and their aesthetic achievements in terms of their transformative encounters. Stories travel to unexpected and interesting places when adapted into film by people of diverse cultures. While the intended

meaning of the author may not be perfectly reproduced, it still holds, Della Coletta argues, an equally valid and important intellectual claim upon its interpreters. With a firm grasp on the latest developments in adaptation theory, Della Coletta invites scholars of media studies, cultural history, comparative literature, and adaptation studies to deepen their understanding of this critical encounter between texts, writers, readers, and cultural movements.

**Under the Bridge: Stories from the Border / Bajo el puente: Relatos desde la frontera** Feb 08 2022 ñ Suddenly I saw him appear in the train yard on the other side of the river, between the boxcars, Martin and a Migra, it looked like they were arguing, they lifted up their arms like they were gonna start wailing on each other, the Migra guy grabbed Martin by his shoulder and shook him, me and all the people on this side were watching close to see what was gonna happen. In the title story of this short story collection set along the Texas-Mexico border, young Monica waits for her boyfriend Martin under the bridge next to the Rio Grande running between El Paso and Ciudad Juarez. Martin is a *pasamojados*, someone who smuggles people across the river. When he asks her if she wants to leave with him, she's afraid. Afraid to suffer the way her parents did when they went north, suffocating in heat and fear, unable to find a job. But in spite of her fears, she finds herself at the river bank, being pushed into the tire tube that serves as a raft, under the bridge. Mexican writer Rosario Sanmiguel crafts intriguing narratives about solitary women in search of their place, caught between the past and the present. Set in the border region, this collection follows these women—some from privileged backgrounds and others from more desperate circumstances—through seedy bars, hotel rooms, and city streets. A woman who has escaped the night life, dancing on platforms in front of thousands of eyes; Francis, who finally finds the strength to leave her married lover; young Fatima, whose mother abandons her, leaving her to take her place as a maid in a wealthy El Paso family's mansion; Nicole, who has risen from dismal poverty to become an accomplished immigration attorney. Originally published in Mexico as *Callejon Sucre y otros relatos* (Ediciones del Azar, 1994), this edition contains a profound English translation by John Pluecker. The seven stories included in this collection interweave the opposing themes of solitude and connectedness, longing and privilege, fear and audacity, all of which are juxtaposed on the boundary of self-awareness.

**Folk Stories from the Hills of Puerto Rico / Cuentos folklóricos de las montañas de Puerto Rico** Aug 14 2022 This exciting new anthology gathers together Puerto Rican folktales that were passed down orally for generations before finally being transcribed beginning in 1914 by the team of famous anthropologist Franz Boas. These charming tales give readers a window into the imaginations and aspirations of Puerto Rico's peasants, the *Jíbaro*. Some stories provide a distinctive Caribbean twist on classic tales including "Snow White" and "Cinderella." Others fictionalize the lives of local historical figures, such as infamous pirate Roberto Cofresí, rendered here as a Robin Hood figure who subverts the colonial social order. The collection also introduces such beloved local characters as Cucarachita Martina, the kind cockroach who falls in love with Ratoncito Pérez, her devoted mouse husband who brings her delicious food. Including a fresh English translation of each folktale as well as the original Spanish version, the collection also contains an introduction from literary historian Rafael Ocasio that highlights the historical importance of these tales and the *Jíbaro* cultural values they impart. These vibrant, funny, and poignant

stories will give readers unique insights into Puerto Rico's rich cultural heritage. Esta nueva y emocionante antología reúne cuentos populares puertorriqueños que fueron transmitidos oralmente durante generaciones antes de ser finalmente transcritos comenzando en 1914 por el equipo del famoso antropólogo Franz Boas. Estos encantadores cuentos ofrecen a los lectores un vistazo a la imaginación y las aspiraciones de los jíbaros, los campesinos de Puerto Rico. Algunas historias brindan un distintivo toque caribeño a cuentos clásicos como "Blanca Nieves" y "Cenicienta". Otros ficcionalizan la vida de personajes históricos locales, como el famoso pirata Roberto Cofresí, representado como una figura al estilo de Robin Hood, quien subvierte el orden social colonial. La colección también presenta personajes locales tan queridos como Cucarachita Martina, la amable cucaracha que se enamora de Ratoncito Pérez, su devoto esposo ratón que le trae deliciosa comida. Incluyendo una nueva traducción al inglés de estos cuentos populares, así como las versiones originales en español, la colección también contiene una introducción del historiador literario Rafael Ocasio, quien destaca la importancia histórica de estos cuentos y los valores culturales del jíbaro que éstos imparten en los relatos. Estas historias vibrantes, divertidas y conmovedoras brindarán a los lectores una visión única de la rica herencia cultural de Puerto Rico.
