Insurgent Sepoys Apr 14 2022 The Revolt of 1857 in India has so far largely been viewed as an event that was of interest to British and Indian scholars investigating the various consequences of British colonial rule in India. What has remained out of the focus of study during the last 150 years is the possible impact of the Revolt elsewhere, its so to say international dimension: what, in particular, was the reaction in Europe where elemental social and political transformations were underway. Whatever the varied nature of the reactions, the space given to the Revolt in many European newspapers and journals while it was in progress is certainly extensive. What is more, representations of and reflections on the Revolt appeared both during the event and for long after its suppression, above all in forms of popular fiction but also in historical accounts, letters, reminiscences and other forms of writing. The collection of essays in this volume ventures into this unexplored terrain and offers a first look at some of these European responses.

The 1857 Indian Uprising and the Politics of Commemoration Oct 28 2020 The Cawnpore Well, Lucknow Residency, and Delhi Ridge were sacred places within the British imagination of India. Sanctified by the colonial administration in commemoration of victory over the 'Sepoy Mutiny' of 1857, they were read as emblems of empire which embodied the central tenets of sacrifice, fortitude, and military prowess that underpinned Britain's imperial project. Since independence, however, these sites have been rededicated in honour of the 'First War of Independence' and are thus sacred to the memory of those who revolted against colonial rule, rather than those who saved it. The 1857 Indian Uprising and the Politics of Commemoration tells the story of these and other commemorative landscapes and uses them as prisms through which to view over 150 years of Indian history. Based on extensive archival research from India and Britain, Sebastian Raj Pender traces the ways in which commemoration responded to the demands of successive historical moments by shaping the events of 1857 from the perspective of the present. By telling the history of India through the transformation of mnemonic space, this study shows that remembering the past is always a political act.

The Guilty Men of 1857 Jun 04 2021

First Report of the Class of 1857 in Harvard College Sep 07 2021 Excerpt from First Report of the Class of 1857 in Harvard College: July, 1866 Francis Bartlett. Early in 1858, he entered his father's office, in Boston, for the study of the legal profession and, in the first term of 1858 - 59, became a member of the Dane Law School, where he remained one year. 17 September, 1860, he was admitted to the Suffolk Bar, in Boston; and, in the following December, started for Europe. He spent the next year abroad, returning in December, 1861, and began the practice of law at 16, Court Street, where he remains. Stanton Blake. Soon after

graduating, he went to Europe, and entered the banking-house of George Peabody. He returned in 1858, and entered the house of Blake, Brothers, Co., bankers and brokers. In 1859, Blake again went to England, returning early in 1860. In April, 1860, he began the banking business in New York, in connection with the Boston firm. In June, 1862, he again went to England, and returned in September of the same year. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Great Fear of 1857 Jan 31 2021 "The Indian Uprising of 1857, in which Indian soldiers (sepoys) turned against the British whom they had served faithfully for decades, had a profound impact on the colonial psyche, and its spectre haunted the British until the very last days of the Raj. For the past 150 years most aspects of the Uprising have been subjected to intense scrutiny by historians, yet the nature of the outbreak itself remains obscure. What was the extent of the conspiracies and plotting? How could rumours of contaminated ammunition spark a mutiny when not a single greased cartridge was ever distributed to the sepoys? Why did veteran sepoys and trusted servants suddenly turn on their masters and murder men, women, and children? Based on a careful, even-handed reassessment of the primary sources, *The Great Fear of 1857* explores the existence of conspiracies during the early months of that year and presents a compelling and detailed narrative of the panics and rumours which moved Indians to take up arms. With its fresh and unsentimental approach, this book offers a radically new interpretation of one of the most controversial events in the history of British India."--Résumé de l'éditeur

The Uprising Of 1857 Oct 16 2019 The sepoy revolt was among the first fully photographed wars in the history of documentary photography in India. This volume offers multiple perspectives on the Ghadar or Uprising of 1857, and deconstructs the grand narratives associated with colonial historiography. Using rare archival photographs from the Alkazi Collection, together with supplementary visual material, these essays re-evaluate the evidence and official reading of the Uprising. Linked accounts negotiate Mutiny landscapes and architecture: the internal dynamic of the rebellion decoded through topography and monuments, including memorials, cemeteries, churches and forts, as well as the sites of appalling atrocity and retribution-besieged barracks, burning villages, gallows at crossroads, and looted palaces. Along with rebels, British troops and their determined generals, and various professional and amateur photographers caught up in documenting the turbulence, the dramatic vista of the Uprising in these essays is also inhabited by a range of significant characters central to the action, including the warrior queen Lakshmi Bai, the exiled last Mughal emperor Bahadur Shah Zafar and the poet Mirza Ghalib. Published in association with the Alkazi Collection of Photography.

The Panic of 1857 Feb 12 2022 Presents an analytical study of the crisis of 1857 in four parts. 1. Looks at the long term factors. 2. Studies the short term effects. 3. Gives an account of the panic with reference to the difference from prior crises. 4. Looks at the forces operating which brought the crisis to an end.

Kaye's and Malleson's History of the Indian Mutiny of 1857-8, Vol. 2 (Classic Reprint) Apr 21 2020 Excerpt from Kaye's and Malleson's History of the Indian Mutiny of 1857-8, Vol. 2 Of the insurgents in all parts of the country. Joint action on a large scale was thus rendered impossible, and at the commencement Of the War it would scarcely have been desirable. For our people had to deal promptly with urgent symptoms, and references and consultations would have been fatal to success. Sepoy Mutiny and the Uprising of 1857 in Bundelkhand Dec 22 2022

The Revolt of 1857 in Haryana Sep 19 2022

The Indian Mutiny of 1857 Jun 23 2020 The Indian Mutiny, as it was called, may better be considered the Indian Rebellion or India's First War of Independence. Colonel Malleson presents his account of the uprising, which stemmed from a toxic blend of politics and private enterprise becoming entwined with private military. Hundreds of thousands of Indians were enlisted in the three East India Company armies, where there was serious caste discrimination. The General Service Enlistment Act of 1856 changed the nature of the service, causing further resentment. Inevitably, though, it was the manipulation of the local cultures by the British that led to resentment. The infamous greased cartridges were just a sparking point and an example of how inconsiderate the company was of its people.?

Mutiny Memoirs, Being Personal Reminiscences of the Great Sepoy Revolt of 1857 (Classic Reprint) Nov 09 2021 Excerpt from Mutiny Memoirs, Being Personal Reminiscences of the Great Sepoy Revolt of 1857 The reminiscences contained in the following pages were originally published in the columns of the Pioneer; and it is with the kind permission of the Editor of that Journal that I am enabled to reissue them in the form of this little book. They do not pretend to any merit but that of truth. In that respect they may claim to present a record of actual events, and thus to bring before the Reader, however imperfectly, a rough sketch of the great Indian Mutiny such as it appeared to the eyes of a young Subaltern Officer of Native Cavalry, who had the good fortune to be engaged in its suppression. I am indebted to the courtesy of the eminent Photographic Artists, Messrs. Bourne and Shepherd, for permission to copy the beautiful pictures which illustrate the text. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The Penguin 1857 Reader Oct 20 2022 However Infamous The Conduct Of The Sepoys, It Is Only The Reflex, In A Concentrated Form, Of England S Own Conduct In India . . . Karl Marx 1857 Was A Defining Moment In The History Of The British Empire. As Native Troops In India Rebelled Against Their Colonial Masters And Were Joined By A Large Number Of Local Chiefs, Civilians And Princes, The Empire Almost Lost Its Most Prized Territory. A Hundred And Fifty Years Later, Scholars, Academics And Historians Still Argue About The Exact Nature Of The Uprising And The Appropriate Nomenclature For It: The First War Of Independence, The Great Indian Mutiny, The Sepoy Rebellion. Debates Still Rage Over Its Causes. Did It Really Originate From A Dispute Over Greased Cartridges? Was It Premeditated? Not Surprisingly, The

Uprising Attracted Both Local And Global Attention And Produced A Massive Archive Of Documents. The Penguin 1857 Reader Depicts The Historic Event From Various Perspectives: English, Indian, European And American. Through A Selection Of Documents Of The Time, It Provides Glimpses Into The Actions Across Northern India, Maps The Contours Of Dissent Against The Raj And Explores The Immediate Responses To The Upheaval In India And Outside. Included Here Are Numerous Newspaper And Magazine Accounts In Leading English And American Papers, Chronicles Of British And Indian Men And Women Who Witnessed The Turmoil, Intelligence Reports And Narratives Of Soldiers, The British Administration S Responses, The Opinions Of Karl Marx, Lord Macaulay And Mark Twain, British Views On The Rani Of Jhansi And Nana Saheb, And Mirza Ghalib S Moving Narration In His Diaries And The Historic Trial Of Bahadur Shah Zafar. With A Scholarly And Comprehensive Introduction, This Reader Captures The Many Dimensions Of One Of The Most Momentous Episodes In The History Of The Indian Subcontinent.

Awadh in Revolt, 1857-1858 Apr 02 2021 The revolt of 1857 continues to arouse interest and debate. This book, first published in 1984 and now in paperback for the first time, remains one of the best studies of popular resistance and peasant rebellion. This revised edition features a new introduction, which provides an update on the historiography of peasant revolt. The author also charts some of these changes and their relevance to a deeper understanding of the uprising of 1857.

The Sepoy Mutiny and the Revolt of 1857 Aug 06 2021

1857, the Uprising Mar 01 2021

The Indian Rebellion, 1857-1859 Dec 30 2020 "Frey's concise and readable history of the Indian Rebellion is an excellent introduction to one of the most important wars of the nineteenth century. The rebellion lasted more than a year and pitted broad sections of north Indian society against the British East India Company. British victory consolidated colonial rule that would only be dislodged by twentieth-century nationalist movements. Frey provides a crystal-clear account of the causes, principal events, and consequences of the rebellion. Equally importantly, he deftly discusses why the rebellion remains controversial. Well-chosen documents add texture to the analysis. This is the best short history of the rebellion in print." —Ian Barrow, Middlebury College

The Ink-pa-du-ta Massacre of 1857 in Minnesota and Iowa Oct 08 2021

A History of the Sepoy War in India, 1857-1858 Mar 13 2022

Mutiny Memoirs May 15 2022 Mutiny Memoirs: Being Personal Reminiscences Of The Great Sepoy Revolt Of 1857 has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Mutiny at the Margins: New Perspectives on the Indian Uprising of 1857 Nov 28 2020 The Mutiny at the Margins series takes a fresh look at the Revolt of 1857 from a variety of original and unusual perspectives, focusing in particular on neglected socially marginal groups and geographic areas which have hitherto tended to be unrepresented in studies of this cataclysmic event in British imperial and Indian historiography. Britain and the Indian Uprising (Volume 2) looks at the varied responses of British missionaries, colonial leaders and working-class voices and how they reveal the multiplicity of British reactions to the revolt.

History Of The Indian Mutiny Of 1857-8 - Vol. IV [Illustrated Edition] Jan 11 2022 [Illustrated with over one hundred maps, photos and portraits, of the battles of the Indian Mutiny] By 1857, British power in India had been largely undisputed for almost fifty years, however, the armies of the East India Company were largely recruited from the native people of India. This inherent weakness would be exposed during the events of the Indian Mutiny of 1857-1858, as the Sepoy soldiers turned against their erstwhile British employers. The events that led up to the Revolt were many and varied, including British highhandedness, ignorance of local customs and religious values, and incendiary propaganda. It is generally argued that the spark that lit the flame was the rumour that the newly issued rifle cartridges would be greased either with tallow, derived from beef and thereby offensive to Hindus, or lard, derived from pork and thereby offensive to Muslims. The enraged soldiers mutinied across a number of Indian States, taking Delhi, besieging Lucknow, and revolting in Oudh. The rebellion was eventually quelled in 1858 however, the effects of the Mutiny were far ranging and important. The East India Company was dissolved and the British government set about reorganising all facets of its power in India from the political to the administration and, most pointedly, the military. Although India would not gain its Independence until 150 years later, the events of the Indian Mutiny stayed in the folk consciousness of the country, a number of the leaders were lionized in certain circles, and a measure of nascent nationhood was born. Of the many books written on the event, few are as well respected, accurate, frequently read or cited as the six volume history produced by two ex-British Army officers, Sir John Kaye and Colonel George Malleon, who had both served extensively in India. This fourth volume deals with the events from September 1857 to Early 1858.

Indian Rebellion of 1857 Dec 10 2021 The Indian Rebellion of 1857 was a major, but ultimately unsuccessful, uprising in India in 1857-58 against the rule of the British East India Company, which functioned as a sovereign power on behalf of the British Crown. Chapter 1: Indian Rebellion of 1857 Chapter 2: Company rule in India 2.1 Development 2.2 Guideline of Company rule 2.3 Income assortment 2.4 Common help 2.5 Trade 2.6 Equity framework 2.7 Instruction 2.8 Social change 2.9 Post and transmit 2.10 Telecommunication 2.11 Railroads 2.12 Waterways Chapter 3: Reasons for the rebellion Chapter 4: The Enfield rifle Chapter 5: Regular citizen restlessness Chapter 6: The Bengal Army Chapter 7: Beginning of the Rebellion 7.1 Mangal Pandey 7.2 Distress during April 1857 7.3 Meerut 7.4 Delhi 7.5 Supporters and resistance Chapter 8: The Revolt 8.1 Attack of Delhi 8.2 Catch of Delhi by the renegades 8.3 Mughal reclamation 8.4 Organization moves Chapter 9: The attack 9.1 June through July 9.2 The siege: August to September 9.3 The catch of Delhi 9.4 Groundwork for the attack 9.5 The catch of the city Chapter 10: Attack of Cawnpore 10.1 Disobedience at Fatehgarh 10.2 Episode of defiance at Cawnpore 10.3 Nana Sahib's contribution 10.4 Ambush on 23 June 10.5 Give up of the British powers 10.6 Bibighar slaughter Chapter 10.7 Recover and revenge by the British Chapter 11 Recover and revenge by the British 11.1 Fallout 11.2 Memorials Chapter 12: Attack of Lucknow Chapter 13: Raging of Secundra Bagh Chapter 14: Jhansi Fort Chapter 15: Panic of 1857

The Great Rebellion of 1857 in India Sep 26 2020 Interdisciplinary in focus, this title explores the areas of gender, colonial fiction, white marginal groups, the tribal movements, and penal laws, and associates them with the event. It presents alternative views and expands and complicates the conceptual boundaries of the Rebellion.

The Greased Cartridge: The Heroes and Villains of 1857-58 Jan 23 2023 In most accounts of the revolt, the greased cartridge has been referred to as the spark and tinder that lit the flames of rebellion. The greased cartridge - what was it all about? The army so far had been quipped with the smooth-barrelled musket, which had a protracted loading procedure and was not accurate over long ranges. The new Enfield rifles, which were now being issued, had grooved or rifled barrels. This made them more accurate and gave them a longer range. The powder and bullet for the new rifle were put together in a paper cartridge. To load the rifle, the end of the cartridge containing the powder had to be bitten off so that the charge would ignite. The cartridge was then rammed down the muzzle of the rifle. The grease used was tallow, probably containing both cow and pig fat. To "the cow reverencing Hindu and the pig paranoid Muslims" having to bite this was repellent, defiling and deadly to their religious prospects. The Revolt of 1857-58 was the biggest and bloodiest conflict against any European colonial power during the nineteenth century. This book is essentially about the heroes - Taty Tope, Nana Saheb, Rani Lakshmi Bai, Kunwar Singh of

Jagdishpur - and not to forget, a few villains. Though the revolt failed in its objective, even in failure it served a grand purpose. It was a source of inspiration for the national liberation movement, which later achieved what the revolt could not.

Mutiny at the Margins: New Perspectives on the Indian Uprising of 1857 Feb 18 2020 The Mutiny at the Margins series takes a fresh look at the Revolt of 1857 from a variety of original and unusual perspectives, focusing in particular on neglected socially marginal groups and geographic areas which have hitherto tended to be unrepresented in studies of this cataclysmic event in British imperial and Indian historiography. Anticipations and Experiences in the Locality (Volume 1) centres on unrest and disorder in the long history of resistance to colonial rule (the *belli Britannica*) prior to 1857, and the impact of the revolt itself in diverse localities within India.

The Indian Uprising of 1857-8 Jul 05 2021 An in-depth study of the 1857 Indian mutiny-rebellion, exploring the political and social themes of this remarkable phenomenon.
