dog-walker Felicity Knight loves everything about New York...until her ex-husband starts working at her local vet clinic. She hasn't seen Seth Carlyle in ten years, but one glimpse of him—too gorgeous, and still too good for her—and Fliss's heart hurts like their whirlwind marriage ended yesterday. So when her grandmother in the Hamptons needs help for the summer, it seems the ideal way to escape her past. Their relationship might have lasted only a few scorching months, but vet Seth knows Fliss—if she's run away to the Hamptons, it's because she still feels their connection and it terrifies her. He let her go once before, when he didn't know any better, but not this summer! With the help of his adorable dog, Lulu, and a sprinkling of beachside magic, Seth is determined to make Fliss see that he's never stopped loving her... Sarah Morgan delights with more love and laughter in her acclaimed series *From Manhattan with Love*, which *Publishers Weekly* calls "engaging...[a] classic sweep-you-off-your-feet romantic experience." One woman forges the most unlikely friendship of all, and embarks on a summer of confronting her past in order to build the future she wants. They're dangerous men. Absolute enemies. And totally hot for each other. Will has never met anyone like Kit. He's arrogant. Gorgeous. Totally lethal. The most expensive bodyguard money can buy. And Will can't seem to resist him. A simple command in Kit's cut-glass accent makes Will want things he's never wanted, do things he's never done. Their red-hot chemistry is off the charts. Just one problem: Will has vowed to kill the billionaire that Kit is hell-bent on protecting. And Kit has secrets, too—his own reasons for sacrificing his soul, piece by painful piece, to keep one of the worst men on earth alive. “I cannot recommend this book enough. If you love the ‘grumpy one falls for the sunshiney one’ trope with hijinks, shenanigans, sexiness and laughter thrown in – you will love this book.” – Jo Reads Romance ? ? ? ? ? Can I get him to grow a heart and spare our building? I have to try! Before I know it, I'm flying around the country with the surliest and most devilishly exasperating man I've ever met. So I hide behind my prim glasses and my book like I always do, because I have secrets, too. Then he shows up in the prison writing class I have to teach and he blows me away with his honesty. He tells me secrets in his stories, and it's getting harder to hide mine. I shiver when he gets too close, with only the cuffs and the bars and the guards holding him back. At night, I can't stop thinking about him. But that's the thing about an animal in a cage—you never know when he'll bite. He might use you to escape. When our tyrannical CEO fires every wake-up-call service on the planet, what's a lowly admin to do? I secretly start making the calls myself. Luckily he doesn't seem to mind my get-your-ass-out-of-bed attitude. But now the calls are turning hot, like pay-by-the-minute hot, and he wants to take me out on a date. He's scouring Manhattan to find the sexy vixen who wakes him up every morning. No way can I let him know it's me! I'm no Prince Charming, and the last thing I want is a Cinderella. My instructions were simple: scour the city for a fake fiancée who's not my type at all. Have her on my jet Monday morning, dressed appropriately for a yacht vacation. I need a woman believable enough

to convince a certain client that I've changed my playboy ways...yet nothing like the supermodels and socialites I usually have on my arm. Somebody too annoying to tempt me--no emotional entanglements, thank you very much. This is business only. If she's unfazed by my looks and wealth, all the better. Should be easy. Right? Apparently not, because my people go and hire Tabitha. My hairdresser. What were they thinking? Yes, I said annoying, but I didn't mean Tabitha, the most frustrating woman in the world. Tabitha is sunshiny. She has a pet hamster. She loves Hello Kitty, and she gets under my skin like nobody else. As if that's not bad enough, the minute we step on deck, she thinks that certain people on the yacht are up to something shady--based completely on her soap opera knowledge. She won't listen when I tell her she's being ridiculous. But as the days go by, I find that we're actually having fun. And our fake kisses are heating up. And suddenly her wild theories aren't sounding so strange after all... Make Up Break Up, the sparkling and heartfelt romantic

comedy debut from Lily Menon Love, romance, second chances, fairy-tale endings...these are the things Annika Dev believes in. Her app, Make Up, has been called the "Google Translate for failing relationships." High efficiency break-ups, flashy start-ups, penthouses, fast cars...these are the things Hudson Craft believes in. His app, Break Up, is known as the "Uber for break-ups." It's wildly successful—and anathema to Annika's life philosophy. Which wouldn't be a problem if they'd gone their separate ways after that summer fling in Las Vegas, never to see each other again. Unfortunately for Annika, Hudson's moving not just into her office building, but into the office right next to hers. And he'll be competing at the prestigious EPIC investment pitch contest: A contest Annika needs to win if she wants to keep Make Up afloat. As if it's not bad enough seeing his irritatingly perfect face on magazine covers when her own business is failing. As if knowing he stole her idea and twisted it into something vile—and monumentally more successful—didn't

already make her stomach churn. As the two rival app developers clash again and again—and again—Annika finds herself drawn into Hudson Craft's fast-paced, high velocity, utterly shallow world. Only, from up close, he doesn't seem all that shallow. Could it be that everything she thought about Hudson is completely wrong? Could the creator of Break Up teach her what true love's really about? "I'd rather kiss Derek's padded butt than leave the ice right now with everyone thinking that it's too rough out here for a girl."

Seventh grader Joanna Giordano wants to play ice hockey, but the only game in town is the boys' middle school team. Everyone tries to talk her out of playing—from the principal and the coach to the class bully, and even her best friend, Ben. With humor and a feisty spirit, Joanna fights for her place both on and off the ice.

"I'm the most dangerous enemy you'll ever have," he tells me, "Because every time you look at me, you see somebody good." But I remember when Aleksio was my only friend. Edson Arantes do Nascimento, known to his schoolmates as Pelé, grew up in poverty in the Sao Paulo region of Brazil. He was too poor to afford a real soccer ball, so he played with a ball of newspaper tied together with string. Yet he dominated the youth leagues and signed his first professional soccer contract at the age of fifteen. Within two years he was celebrated internationally, when he led Brazil to victory at the world cup. Known by his fans as "O Rei" (The King), Pelé is widely regarded as the greatest soccer player of all time. But he's more than just an athlete: he also traveled the world as goodwill ambassador for UNICEF. Pelé is the living symbol of a sport he dubbed "the beautiful game"—a game that brings people together regardless of race or nationality. In the graphic novel *Pele: The King of Soccer*, Eddy Simon and Vincent Brascaglia beautifully depict Pele's rise from the slums of Brazil to the national stage. ***The complete three-book
