How to Fully Accept Yourself—Just As You Are Most of us have plenty of experience with self-blame and guilt—but we are often at a loss when it comes to forgiving ourselves. According to Colin Tipping, this is because our idea of forgiveness usually requires a victim and a perpetrator—which is impossible when we play both roles at the same time. Tipping's Radical Forgiveness process allows us to navigate this dilemma for deep and lasting healing. To help us gain freedom from excessive inner criticism and self-sabotaging beliefs, he offers the Radical Self-Forgiveness book and companion audio program. Join Colin Tipping to learn his step-by-step methods for going beyond the level of self-judgment and recrimination to the deeper spiritual state in which true forgiveness occurs. What's "radical" about Colin Tipping's approach to forgiveness? "It's not about telling ourselves a new story about something that happened," he says. "It's about creating a profound shift at the spiritual

level." Based on his world-renowned forgiveness workshops, the *Radical Self-Forgiveness* book shares clear insights for resolving our deepest internal wounds using Tipping's five-stage forgiveness process. The *Radical Self-Forgiveness* audio edition offers a toolbox of exercises, techniques, and guided practices designed to help us break the cycle of blame and victimhood—an empowering attitude that helps us fully embrace every experience. Many of our fears, anxieties, and even physical health problems originate from the parts of us that we consider unforgiveable. Yet when we recognize that we are worthy of forgiveness—no matter who we are or what we have done—we gain access to the loving energy of spirit that can heal our deepest wounds. Used alone or in combination for an integrated practice, the *Radical Self-Forgiveness* book and audio program open the doorway to the freedom and inner peace that come from true self-acceptance. For the genuine spiritual seeker: This book deals with the theory and practice of enlightenment. Real enlightenment is a matter of using the right technique. Have you struggled with expensive meditation techniques and special diets, elite teachers, and all manner of other crazy notions just trying to one day, finally, awaken to complete freedom and total peace (perhaps with a hefty dose of bliss as well)? Stop! In You're Trying Too Hard, Joey Lott explains exactly that--you are trying too hard, and you will never achieve your goals precisely because you already ARE freedom. Stop trying everything under the sun to bring yourself to true enlightenment. Stop searching for wiser, more special teachers. Stop worrying about lineage and ego and diet and the self. Stop everything. Remain only with direct experience, and let true clarity at least reveal itself. Clarity is the simplicity of being. Clarity is simply seeing what is, as it is. "Look to direct experience right now. This is absolutely effortless. There is no trying required. Why? Because direct experience is unavoidable. It is what is happening." Are you ready? Read this book now, and set foot on the only path to so-called "enlightenment" you will ever need. One of the most compelling ongoing spiritual autobiographies of our time continues. Disillusioned after years of seeking the truth in the world's major religions and mystical traditions, Andrew Harvey (A Journey in Ladakh) embarks on a bold new path, one that charts a course of personal enlightenment through unmediated contact with the Supreme Being. The Direct Path, as Harvey calls it, is not only desirable in itself, but essential for humanity's ability to surmount the environmental, political, social, and spiritual challenges besetting our species . . . and our world. Do you desire to know God more intimately and to feel His unconditional love? Do you struggle in trying to hear His voice and leading; and to feel His presence in a more profound way? "Be Still and Know That I Am God" will help lead you to a place of being quiet before Him; feeling His love and His presence. It will help you learn how to trust Him to equip you for greater service, and challenge you to be all you can be in Him. You will begin to see Him as your Friend, your Counselor, your Provider, your Lover and more. As you practice the principles set forth in this book, you will enable God to do great and mighty things in your life. As you are willing to let God have His way with you, you will be blessed beyond all you can imagine! Jackie lives with her husband Gene in Honesdale, Pa. She is the mother of a son and a daughter, and grandmother of eight. She was the director for an adult literacy program for five years, before leaving to enter the ministry. She served as Assistant pastor and Co-Pastor of new Covenant Fellowship in Hawley, Pa. before becoming full pastor in 2006. Jackie has been involved in many areas of ministry including the care and teaching of children through adults, and being mission's director for a time along with her husband Gene (having taken a missions trip to Haiti prior to that). She has served in prison ministry, done numerous Bible studies, and is certified in biblical counseling. Her greatest joy is now serving as a shepherd to those God has placed in her care. Sun Tzu Corporate Strategy™ shows you how to use proven strategy principles and strategy formulas from Sun Tzu The Art of War™ to effectively lead your executive team and competitively run your business operation. First you develop your strategic plan and establish your strategic position. And then you craft your business strategy and form your business strategy cycle for making your strategic plan work and for obtaining strategic position. This business strategy book gives you a proven strategy framework you can implement to become a decisive and effective as well as adaptive and competitive corporate leader. themselves to be "spiritual" people, and yet regular attendance at religious institutions is down, perhaps because many of us are searching for a way to encounter the divine on our own terms. We long to connect with something greater than ourselves, but are often conflicted about the teachings and rituals of organized religions, or simply don't know where to begin. In this groundbreaking, eloquently written work, renowned religious scholar Andrew Harvey builds on his twenty-five-year study of the world's various mystical traditions--including Buddhism, Hinduism, Taoism, Sufism, the Kabbalah, and Christian mysticism--to create an illuminating spiritual map that anyone can use to develop a direct path to the divine. Andrew Harvey has devoted his life to the study and pursuit of the divine, and in *The Direct Path* he chronicles his own spiritual journey, revealing the events that led to his own disillusionment with the guru system, and the hierarchy and hypocrisy of many contemporary religious movements. He then provides us with the tools we need to cultivate a personal relationship with the divine without relying on gurus, churches, or other institutions and intermediaries. Drawing on mystical traditions from around the world, Harvey outlines eighteen sacred practices--including breathing, chanting, meditation, prayer, and the practice of lovingkindness--that readers can use to unite mind, body, and soul, and he streamlines them into a step-by-step guide to personalized spiritual development and enlightenment. He discusses the four stages of spiritual transformation--awakening, engagement, marriage, and birthing--and shows us how we can incorporate the sacred into everyday life through activities such as dieting and fasting, dancing, laughing, and healing exercises such as yoga and tai chi. Through practical lessons and exercises, Harvey guides us in excavating our spiritual self, and creating not only a path to the divine but to the millions of other selves who walk the earth with us. Perfect for anyone who, in this time of spiritual uncertainty, yearns for fresh teachings and wisdom that will bring them closer to their life's purpose and meaning, *The Direct Path* is an intelligent, beautifully crafted masterpiece from one of today's most celebrated and respected spiritual luminaries. For far too many of us, modern life is a struggle. We are stressed, depressed, anxious, addicted, obese, terrified, and angry. Are we doomed to live this way? Dr. John McGrail answers with an emphatic: "No. Anyone and everyone can create the life of their dreams." In *The Synthesis Effect* he shows you how, sharing his unique process in an engaging, friendly narrative that includes stories of real people overcoming real issues and empowering their lives quickly and profoundly. *The Synthesis Effect* will show you: How you became you—your personality, values, feelings, habits, beliefs, and behaviors—how you create your own reality, and why it's so difficult to change it. Maitreya's Ratnagotravibhaga, also known as the Uttaratantra, is the main Indian treatise on buddha nature, a concept that is heavily debated in Tibetan Buddhist philosophy. In A Direct Path to the Buddha Within, Klaus-Dieter Mathes looks at a pivotal Tibetan commentary on this text by Go Lotsawa Zhonu Pal, best known as the author of the Blue Annals. Go Lotsawa, whose teachers spanned the spectrum of Tibetan schools, developed a highly nuanced understanding of buddha nature, tying it in with mainstream Mahayana thought while avoiding contested aspects of the so-called empty-of-other (zhentong) approach. In addition to translating key portions of Go Lotsawa's commentary, Mathes provides an in-depth historical context, evaluating Go's position against those of other Kagyu, Nyingma, and Jonang masters and examining how Go Lotsawa's view affects his understanding of the buddha qualities, the concept of emptiness, and the practice of mahamudra. □The author shared his personal experience in this book on how he discovered Sun Tzu The Art of War™, why he decided to retranslate this work thought many translations are already available, and how this powerful philosophy has helped change his life and the life of others. He believes Sun Tzu The Art of War™ is the ultimate knowledge and the secret wisdom when it comes to victory and success both in business and in life. From his personal experience, we can discover how Sun Tzu The Art of War™ can help us become decisive, effective, adaptive and competitive in the way we lead, make decisions, perform, and take actions. It simply articulates the being of you and the world as loving, open, clear awareness. If this truth is realized as your experience, then nothing need be done. The path disappears, and life is lived in sweetness and celebration! But if there are still questions or doubts, the Direct Path contains unique and powerful resources that stabilize this truth as your everyday reality. This is a revised edition of the book, expanded to add chapters on the Direct Path in addition to its selection of dialogs from a decade of "Nondual Dinner" gatherings. The first three chapters unfold the basics of the Direct Path, such as standing as awareness, being in love with awareness, and exploring awareness. Included are several experiments that help establish your everyday experience as awareness, always and already. The dialogs cover questions such as the desire for enlightenment experiences, the relationship between the brain and awareness, the question of "nondually correct" language, the belief in physical and mental objects, the idea of having a sage's experience, and more. The author turns Sun Tzu The Art of War™ from a complex philosophy into a simple and comprehensive strategy system that is practical and applicable for any businesses and any industries. This book gives you an easy-to-apply strategy system you can use to immediately gain your upper hand and competitive advantages you need in order to compete well and win and succeed both in business and in life. Mastering and applying proven strategy principles in this book will make you more decisive and more effective in the way you lead and make decisions as well as more adaptive and more competitive in the way you perform and take actions. WHAT THIS BOOK CAN DO FOR YOU: SUN TZU PRO™ gives you the ultimate business strategy system you have been searching for. You will discover why this ultimate business strategy system in this book is the system of all business systems and all business models. The big problem with modern business systems and business models you are currently using is that they are often compartmental. This means you will often face a big challenge and waste a lot of time when trying to bridge and piece together all business systems and all business models within your organization. In this business strategy book SUN TZU PRO™, you will discover a comprehensive business strategy system that will help you solve this big challenge which you are facing with your business systems and business models. This comprehensive business strategy system gives you two strategy frameworks: [1] developing your business strategic plan that will help define and establish your unique business strategic position in your competing space, and [2] crafting your business strategy that will help you define and formulate your business strategy cycle. Everything! Tantra is usually thought of as sex with some kind of mysticism thrown in. Marc Allen goes back to the original meaning of tantra and shows how it can be applied to every moment of your life, excluding nothing. *Tantra for the West* is filled with ancient and modern principles and practices that help you use all your experiences as part of your mental, emotional, and spiritual growth. Within your way of life — whatever it may be — within your everyday thoughts and feelings, within your fantasies and dreams are the keys to love, freedom, and fulfillment. As soon as you can see this, you'll find yourself on a direct path to realizing the life of your dreams. This highly acclaimed book has inspired readers all over the world for over thirty years, and is now completely revised, with new material added. It gives you simple keys and practical tools that can be wildly, creatively adapted to your individual needs. If you spend even a brief amount of time with this book, you will discover for yourself the transformative power of tantra. *Money: How To Make A Lot Of It* is based on an idea that you can always make a lot of money if you can create unlimited business value that is always in a high demand in your marketplace. This book shows you how to create this unlimited business value and make a lot of cash, using your current experiences and skills you already have. You begin by first developing a strategic plan and establishing a strategic position for your money. Then you craft a strategy and formulate a strategy cycle to make your strategic plan work and help you obtain your strategic position. This book gives you all strategy skills you need to win and succeed. Have you ever done non-dual inquiry and said to yourself, "I understand it intellectually, but I don't feel it. It's not my experience!" If so, *The Direct Path*, inspired by

Sri Atmananda (Krishna Menon), could be for you. This book is the “missing manual” to the Direct Path. For the first time in print, Direct-Path inquiry is presented from beginning to end and beyond, in a user-friendly way. The core of the book is a set of forty experiments designed to help dissolve the most common non-dual sticking points, from simple to subtle. The experiments cover the world, the body, the mind, abstract objects, and witnessing awareness. You are taken step-by-step from the simple perception of a physical object all the way to the collapse of the witness into pure consciousness. Your takeaway is that there’s no experiential doubt that you and all things are awareness, openness, and love. Also included are three tables of contents, illustrations, an index, a section on teaching, and the notion of a “post-nondual realization.” This book can be utilized on its own or as a companion volume to the author’s Standing as Awareness. Sun Tzu 2030™ gives you a real success blueprint you can follow today to achieve and accomplish anything you want in business and in life, starting from where you are now and moving forward to secure a stronger position in your industry that will give you many advantages for years to come. This success blueprint is based on a fundamental idea that naturally you have a strategic position which you need to carefully plan and establish as well as strategically defend and advance from where it is now to where you want it to be. The more you can defend and advance your strategic position the more unstoppable and more successful you become. This book is very enjoyable and totally accessible, and it clearly points his readers to the Direct Path of true awakening. Sidestepping the usual esoteric double-talk that often passes for non-dual wisdom, the author provides a very specific and practical framework for deepening the direct experience of your own true nature. This book shares secrets of the Direct Path that are rarely revealed. It examines topics hardly ever mentioned in non-duality discussions, such as the importance of ethics, the language of non-duality, the role of the guru, and the provisional nature of the Direct Path itself. Whether you're searching for physical, mental, emotional or spiritual healing for yourself or someone you love, this book will allow your most intimate and comprehensive healing experience to unfold. Written by renowned healer, internationally acclaimed author and chiropractor Dr. Eric Pearl along with speaker, scholar and teaching partner Jillian Fleeer, The Direct Path to Healing: A Trinity of Energy, Light & Information - and you - are Here! This book is supported with straightforward science, simple quantum physics and insights into our non-dual reality. With enjoyable easy-to-follow exercises at the end of each chapter, you will become the ultimate catalyst for subtle and epic changes in your life and the lives of others, all without time-consuming practices or complex techniques. You will be astounded by its sheer

simplicity. The Direct Path to Healing gives you the keys to the best kept secret you will ever unveil: a happy, loving, healthy and healed you! Through powerful workshops, seminars and training programs, the Reconnective Healing Experience has revolutionized the lives of millions of people around the globe. Now it's your turn! This is your invitation to Be who you truly Are. Written by leading non-duality author Greg Goode, After Awareness offers an insider's look at the Direct Path—a set of liberating spiritual teachings inspired by Shri Atmananda (Krishna Menon). This book shares secrets of the Direct Path that are rarely revealed. It examines topics hardly ever mentioned in non-duality discussions, such as the importance of ethics, the language of non-duality, the role of the guru, and the provisional nature of the Direct Path itself. Our modern world is one of myriad beliefs and traditions. Most seekers explore a variety of ideas and spiritual paths before finding something that feels right: Eastern and Western philosophies, orthodox practices and mystical experiences, independent studies or devotion to a teacher. After Awareness takes this diversity into account, treating the Direct Path as one approach among many, rather than an objectively true description of reality. This is no prescriptive, step-by-step book: After Awareness examines core principles in non-duality and provides context, examples, and critiques of these ideas. It explores the Direct Path without presuming belief in the path's concepts. Instead, you'll discover the central elements of the Direct Path—such as direct experience, awareness, and the witness—offered as tools of self-inquiry, not eternal truths. With this open, pragmatic, and deconstructive approach, you'll see the Direct Path from many different angles. Most important, you'll learn how an exploration that begins with everyday perspectives and experiential investigations into the nature of the "I" can lead to a sense of peace and joy, free from judgment, grasping, and self-consciousness. Today, practicing shamanism doesn't mean you have to live in a rain forest or a desert. Thanks to a modern renaissance of shamanic spirituality, practitioners from all walks of life now use powerful indigenous techniques for healing, insight, and spiritual growth. With Awakening to the Spirit World, teachers Sandra Ingerman and Hank Wesselman bring together a circle of renowned Western shamanic elders to present a comprehensive manual for making these practices accessible and available in our daily lives, including: How the original practice of shamanism shaped the world's spiritual traditions and why it is still relevant today. The art of the shamanic journey--a time-tested meditative method for experiencing important spiritual lessons and truths. Guidance for avoiding common pitfalls of shamanic practice. Instruction for working with your dreams, connecting to your spirit guides, healing yourself and your environment. The core of shamanism is the experience of direct revelation-- to communicate firsthand with your spiritual allies and discover your own power. Awakening to the Spirit World takes you through each step of developing a personal connection with your helping

spirits to receive wisdom, insight, and healing energy. From an overview of shamanism, to your first journeys and encounters with your power animals, to expanding your skills and insight through long-term practice, here is an in-depth resource for the shamanic arts that includes: Creating rituals and ceremonies for healing and transformation Reconnecting with nature to heal ourselves and the planet Working with your dreams, songs, and artistic vision to strengthen your practice Traditional wisdom for children-- healthy rites of passage for each phase of a child's journey to adulthood Honoring the cycle of life and death-- shamanic practices to prepare for and celebrate our final transition in this life Excerpt

Shamanism is the most ancient spiritual practice known to humankind and is the "ancestor" of all our modern religions. As a method, it is a form of meditation combined with a focused intention to accomplish various things, as well become apparent in this book. As a spiritual practice, shamanism can become a way of life that may utterly transform the one who practices it. The word "shaman" comes from the language of the Evenki peoples, a Tungusic tribe in Siberia. This is a word whose meaning has to do with esoteric knowledge and extraordinary spiritual abilities and as such a shaman is often defined as an intermediary between the human and spirit worlds. In shamanic cultures, the word "shaman" has come to mean "the one who sees in the dark" or "the one who knows." There are certain commonalities in a shaman's worldview and practice across the world that allow us to make certain broad generalizations about shamanism. In the majority of indigenous cultures, the universe is viewed as being made up of two distinct realms: a world of things seen and a world of things hidden, yet that these two worlds present themselves together as two halves of a whole. The shaman is the inspired visionary, a man or a woman who learns through practice how to enter into this "world of things hidden," and once there, he or she typically encounters extra-mundane personalities or archetypal forces that the indigenous peoples refer to as spirits, ancestors, or even gods. Reviews "Awakening to the Spirit World" takes a deep look at tapping sources of invisible power in daily life. So much of what Sandra Ingerman and Hank Wesselman write about is lost to modern medicine: listening to the weather and the elements, understanding death, and more. This is a courageous book that will appeal to all who long to explore the unseen world." —Judith Orloff, MD, author of Emotional Freedom "In an era when chaos, confusion, and uncertainty take center stage, the ancestors, focused on balancing the energies of life, call forth calm, clarity, and pragmatic direction for accessing the medicine needed to heal the individual and collective psyche. In this moment in time, we are invited into "Awakening the Spirit World," where we are reassured that we are not alone. We are in good company, indeed." —Malidoma Patrice Some, PhD, author of "Of Water and the Spirit, The Healing Wisdom of Africa," and "Ritual: Power, Healing, and Community." "This book helps to fill what has long been a glaring gap in the scholarship of early Buddhism,

offering us a detailed textual study of the Satipatthāna Sutta, the foundational Buddhist discourse on meditation practice."--Back cover. How would it feel to live 100% of the time with passion, purpose, fulfillment and abundance. At some level, everyone desires to live this way, but the truth of the matter is we continually have disruptions and disturbances in our lives that only create more upsets, pain and suffering. Throughout life, we have been given guidance on how to live from parents, teachers and other authoritative people. The truth is that a majority of this guidance was given to assist at that moment in time, and now it no longer serves you. We are spiritual beings whose Divine Gifts are pure energy that flow through us, fueling our thoughts, words, and actions. Our energy is the vibration that connects us to everything in our lives. When we increase our vibration, we attract more possibilities, potential, and abundance. Our distinctive talent springs from the unique combination of our Divine Gifts that we are here to share with the world. This book is for anyone seeking answers, solutions, and success in life. Our birthright is abundance, love, peace and joy, and The Seven Levels of Truth provides a direct blueprint to your life purpose. For nearly thirty years, Bill Heinrich has been dedicated to identifying the resources which are available to everyone and will allow them to live an authentic life and fulfill their destiny. Living your True Life Purpose is what creates your authentic self-expression and this is your most powerful representation in life. This is a book about spiritual development - your spiritual development actually. It is about empowering you, so that you can take charge of your own spiritual development so as to have a meaningful and deeply rewarding spiritual life. You don't need to join any organisation, or even leave your own home, in order to achieve your full spiritual destiny. Surprising as it might seem, this unique book sets out how you can achieve Self Realisation, (enlightenment), in as little as one to two years. This is something that normally takes many decades or whole lifetimes to achieve using traditional methods. How is it done? By learning a simple, easily mastered method of contacting, and mentally talking with, in a two-way mode, any high level spiritual being you want to. It's called

channelling, but there is no spirit taking over your body or funny stuff like that. So you get spiritual guidance, tailored to your own individual needs, from whomever you like, as often as you like, on a 24/7 basis, and entirely at no cost to you. You can see why it is called *The Direct Path to Self Realisation and Beyond!* What does the Direct Path require of you? Just a strong desire to achieve your full spiritual potential as a human being. The book is written in a warm, personal style, so it is accessible to everyone, and usable by anyone. The way forward is all laid out for you. The only question is - Are you up for the challenge? *Sun Tzu BIZ™: Strategy For Business Women* shows how you as an entrepreneur and a small business woman can use *Sun Tzu The Art of War™* as a secret competing system in your business in order to win and succeed in your business competition. Increasingly, we seem to live in a culture of fear, amid threats of terrorism, violence, environmental disasters, and distrust in our leaders. Fear and groundlessness are pervasive, but according to Buddhist teacher Gaylon Ferguson, it is the very potency of this fear that makes it such a powerful tool for personal and cultural transformation. Natural Bravery offers wise and pointed teachings for helping us to look at fear with immediacy and courage, and to engage with it as a path to transform ourselves—and the world. Walking this path, we learn to cultivate fearlessness and to connect more deeply with others and with the natural world.
