Why a Playbook: When I was writing *The Secret Pleasures of Menopause*, I began to hear more and more stories from other women about exactly what I was writing about: how opening up to and expanding joy and pleasure in midlife creates vibrant health physically, emotionally, and spiritually—including the best sex of your life. I was inspired by the many touching and creative stories I was hearing from women who definitely saw midlife as the start of the absolute best years of their lives. In *Jump Off the Hormone Swing*, Lorraine Pintus shares openly about the inner tension a woman can feel at certain times of the month between wanting to love her neighbor on one hand, and wanting to strangle her and shoot her ugly dog on the other. While many books discuss the physical and emotional symptoms of hormones, this is the first to explore in depth the spiritual aspects. *Jump!* is a mentoring book, not a medical book. The focus is on attitude, not anatomy. Lorraine shares insights from her own journey as well as wisdom from 1,500 women she surveyed. Sound biblical wisdom is laced with humor because after all, when it comes to hormones, you either have to laugh or cry, and laughing is better! Get answers to these questions: · What is the number one thing I can do to feel better physically? · How does PMS and perimenopause affect me spiritually? · Which foods ease PMS symptoms...which make them worse? · How do hormones affect my brain? · Why does stress make my PMS worse and what can I do about it? · Are there benefits to PMS and perimenopause? (you'll discover 10!!) · How can God possibly love me when I hate myself? Includes a 10-week study for individual and group use. Perimenopause—one of women's most deterred words. It's quite understandable, though, as experiencing perimenopause will bring a lot of changes to a woman's body. Some women are lucky not to have those symptoms meddle with their lives, but some aren't so fortunate; their loved ones also have to adapt to the changes - especially about those mood swings - that they face. But it does not have to be this way. In the new book, *Perimenopause : How to Create A Healthy Physical & Emotional Life During the Change*, you will be armed with knowledge on how to get your body and mind back on track safely and turn your perimenopause into an enjoyable phase in your life. Discover: How to plan the perfect perimenopause diet plan. How to nurture your mental factors like sleep, mood and memory. How to use hormone balance therapy the right way, if you want. How to protect your bone, pelvic health and breasts Standard supplements for perimenopause and much much more. Your life is about to change for the better. You can feel great, be vibrant, healthy and sexy!. This book :- Perimenopause : How to Create a Healthy Physical & Emotional Life during the Change will show you how. Offers information on a variety of women's health issues, including nutrition, menstruation, fertility, pregnancy, menopause, sexuality, breast health, sugery, illness, and mental and emotional well-being. An authoritative guide to understanding and navigating the hormonal changes and health issues women experience in midlife and beyond, from one of the leading medical experts in the field. The physical changes that occur after women turn forty are unavoidable—and can be unnerving. Menopause affects every aspect of life—from sex and sleep to mood and mental clarity to weight and body temperature. While there are a number of resources available, many are confusing and contradictory. Now, Manhattan gynecologist Dr. Tara Allmen, an experienced, nationally board-certified menopause practitioner and the recipient of the 2015 Doctor's Choice National Award for Obstetrics & Gynecology, shares her knowledge to help women be their happiest and healthiest, and turn this challenging time into an exciting one. Written in her effervescent yet assured voice, *Menopause Confidential* provides simple strategies and cutting-edge information on: hormonal changes and the symptoms of perimenopause and menopause; the health risks associated with midlife—from cutting through the conflicting opinions and advice about health screenings (Do I really need a colonoscopy? How often should I get a mammogram?) to common medical conditions, such as osteoporosis; various remedies, both allopathic and natural, to combat symptoms and empower women to make the best choices for their individual needs; practical tips and resources for mitigating the effects of menopause. Fifty-one-year-old Dr. Allmen knows firsthand what women are going through, and shares stories of her own personal travails and solutions. Women can't turn back the clock, but they can take control of their health and flourish in midlife. *Menopause Confidential* encourages them to be informed, be proactive, and be their greatest selves. #1 NEW YORK TIMES BESTSELLER • “The Bible of middle-aged womanhood . . . a masterwork.”—The Atlantic Newly revised and updated for this fourth edition, this groundbreaking book has inspired more than a million women with a dramatically new vision of midlife—and will continue to do so for generations to come. As Dr. Christiane Northrup explains, the “change” is not simply a collection of physical symptoms to be “fixed,” but a mind-body revolution that brings the greatest opportunity for growth since adolescence. The choices a woman makes now—from the quality of her relationships to the quality of her diet—have the power to secure vibrant health and well-being for the rest of her life. In this fourth edition, Dr. Northrup draws on the current research and medical advances in women's health, including: • Up-to-date information on hormone testing and hormone therapy, with new options and new research • A whole new take on losing weight and training your mind to release extra pounds • New insights on the relationship between thyroid, Hashimoto's Disease, and Epstein Bar Syndrome • New, less invasive and more effective fibroid treatments • Which supplements are better than botox for keeping skin looking youthful • How taking the supplement Pueraria mirifica can optimize many aspects of midlife health and wellness • Why older women don't need the HPV vaccine With this trusted resource, Dr. Christiane Northrup shows that women can make menopause a time of personal empowerment—emerging wiser, healthier, and stronger in both mind and body than ever before. THE NEW YORK TIMES BESTSELLER! Though we talk about wanting to "age gracefully," the truth is that when it comes to getting older, we're programmed to dread an inevitable decline: in our health, our looks, our sexual relationships, even the pleasure we take in living life. But as Christiane Northrup, M.D., shows us in this profoundly empowering book, we have it in us to make growing older an entirely different experience, both for our bodies and for our souls. In chapters that blend personal stories and practical exercises with the latest research on health and aging, Dr. Northrup lays out the principles of ageless living, from rejecting processed foods to releasing stuck emotions, from embracing our sensuality to connecting deeply with our Divine Source. Explaining that the state of our health is dictated far more by our beliefs than by our biology, she works to shift our perceptions about getting older and show us what we are entitled to expect from our later years—no matter what our culture tries to teach us to the contrary—including: · Vibrant good health · A fulfilling sex life · The capacity to love without losing ourselves · The ability to move our bodies with ease and pleasure · Clarity and authenticity in all our relationships—especially the one we have with ourselves "Taking all the right supplements and pills, or getting the right procedure done, isn't the prescription for anti-aging," Dr. Northrup explains. "Agelessness is all about vitality, the creative force that gives birth to new life." Goddesses Never Age is filled with tools and inspiration for bringing vitality and vibrancy into your own ageless years—and it all comes together in Dr. Northrup's 14-day Ageless Goddess Program, your personal prescription for creating a healthful, soulful, joyful new way of being at any stage of life. Information on the menopause and an examination of the connection between the menopause and a woman's emotional and spiritual life. More than a guide, this book advises on coping with physical and emotional symptoms, ensuring long-term health, and decisions about HRT and alternative supplements. An Instant New York Times, Washington Post, USA Today, San Francisco Chronicle, and Publishers Weekly Bestseller! A Next Avenue Influencer in Aging 2021 #1 Canadian Bestseller Just as she did in her groundbreaking bestseller *The Vagina Bible*, Dr. Jen Gunter, the internet's most fearless advocate for women's health, brings you empowerment through knowledge by countering stubborn myths and misunderstandings about menopause with hard facts, real science, fascinating historical perspective, and expert advice. "I feel more equipped to care for my patients, challenge the patriarchy, and empower & educate thanks to her work and advocacy." —Dr. Danielle Jones (Mama Doctor Jones) “An exhilarating read and a comprehensive review of all things menopause.” —North American Menopause Society “Gynecologist Gunter (*The Vagina Bible*) helps women navigate the ins and outs of menopause in this delightfully conversational and strongly feminist guide. Readers looking to separate menopausal fact from fiction should take note.” —Publishers Weekly “Gunter mixes sound medical information with a bit of humor and a lot of candor...[this] frank and expert guide provides an informative and reassuring look at a long, often baffling and infuriating phase of life.” —Booklist The only thing predictable about menopause is its unpredictability. Factor in widespread misinformation, a lack of research, and the culture of shame around women's bodies, and it's no wonder women are unsure what to expect during the menopause transition and beyond. Menopause is not a disease—it's a planned change, like puberty. And just like puberty, we should be educated on what's to come years in advance, rather than the current practice of leaving people on their own with bothersome symptoms and too much conflicting information. Knowing what is happening, why, and what to do about it is both empowering and reassuring. Frank and funny, Dr. Jen debunks misogynistic attitudes and challenges the over-mystification of menopause to reveal everything you really need to know about: \*Perimenopause \* Hot flashes \* Sleep disruption \* Sex and libido \* Depression and mood changes \* Skin and hair issues \* Outdated therapies \* Breast health \* Weight and muscle mass \* Health maintenance screening \* And much more! Filled with practical, reassuring information, this essential guide will revolutionize how women experience menopause—including how their lives can be even better for it! “Read this book immediately.” —New York Times bestseller Ayelet Waldman, author of *A Really Good Day* and *Love & Treasure* “This is the new ‘it’ book for women who want to prepare for or understand what menopause is (and isn't).” —Dr. Jennifer Lincoln *Menopause Reset!* is the revolutionary, scientifically-proven program that helps women control the physiological effects of perimenopause and menopause with mind, diet, and exercise solutions that keep blood sugar levels stable and bodies in the fat-burning zone all day long. In the past, controversial hormonal replacement therapy was the only method by which women could positively affect menopausal symptoms. But *Menopause Reset!* changes all of that. The program specifically regulates blood glucose with food, exercise, and highly effective stress reduction techniques, allowing women to stop and reverse menopausal weight and fat gain. Based on the successful treatment of tens of thousands of women whose life-changing results are included in the book, Dr. Harpaz has put together an easy, 3-step solution that targets the triggers of menopause and its symptoms. *Menopause Reset!* teaches women all about their metabolic mechanisms: what they are, how they work, and, most importantly, how to manipulate them to achieve sustainable weight loss and get their bodies back! The Complete Guide for Women Deeply optimistic, reassuring, and essential, the book the North American Menopause Society called “required reading” is now revised and updated, with over 20 percent new material that incorporates the latest medical findings, cutting-edge research, and best-practices advice. Expertly separating fact from fiction in the latest “breakthrough” medical studies, it shows you what to pay attention to, and what you can ignore. Learn about the role of hormones and the latest advances in hormone therapy. The truth about hot flashes and how to deal with getting one at work. The impact of menopause on sexuality and how to manage an up-and-down libido. There are chapters on heart health (how to protect it), moods (how to ride them out), and exercise (how to stretch without strain). And finally, why this period of life can be a natural springboard to staying healthy, feeling great, and looking beautiful for the next act of your life. Your Questions, Your Answers: Is it possible that I could get another period after more than a year without one? Losing weight at midlife feels like an uphill battle—what's the healthiest approach? How do I perform a breast self-exam? Is hormone therapy necessary—and if so, which one is right for me? How effective are Kegel exercises, and how do I do them? I'm starting to get adult acne—is this normal? In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Wisdom of Menopause: Creating Physical and Emotional Health During the Change." Alleviate the symptoms of perimenopause and menopause with simple and safe DIY diffusions, tonics, and tinctures made with essential oils, from “a true innovator and thought leader in the field of women's hormone health” (JJ Virgin, New York Times bestselling author of *The Virgin Diet*). What if menopause didn't have to be a struggle? Your body is always changing—necessarily and beautifully—throughout life. During menopause, however, declining ovarian function and fluctuating hormones often clash with environmental toxins, stress, and digestive distress, leading to the symptoms we have been told we should expect: hot flashes, weight gain, brain fog, low libido, and irritability. But as women's hormonal health expert and bestselling author Dr. Mariza Snyder explains, you can and deserve to experience a good night's sleep, clear thinking,

stable moods, an energized metabolism, and pain-free sex. The solution is not to medicate the changes, but instead get to the root cause of what’s really going on in the body. In *The Essential Oils Menopause Solution*, Dr. Mariza offers a cutting-edge, comprehensive plan to do just that, including:

- a clear explanation of what’s happening in your body before, during, and after “the change,” and how certain lifestyle triggers exacerbate hormonal imbalance.
- the latest science behind the benefits of essential oils as safe, effective solutions for perimenopause and menopause symptoms.
- more than 75 recipes and protocols designed to provide solutions for deep, restful sleep, anxiousness, mood swings, fatigue, hot flashes, low libido, brain fog, vaginal dryness, digestive distress, and much more.
- a proven 21-day hormone-balancing program complete with meal plans, exercise recommendations, supplementation, and herbal therapies designed to reverse the myriad of symptoms affecting millions of women today.
- easy self-care rituals to support every system of your body—from digestion and vaginal health to mitochondrial and liver function—throughout the perimenopausal and menopausal transition.

Dr. Mariza Snyder is committed to helping women feel their best; her work is dedicated to solutions that heal a woman’s health from the ground up. In as little as twenty-one days, *The Essential Oils Menopause Solution* will help you reclaim vibrant, optimal, and long-lasting health. Dr. Christiane Northrup’s #1 New York Times bestseller *The Wisdom of Menopause* has inspired more than a million women with a dramatically new vision of midlife—and will continue to do so for generations to come. As Dr. Northrup has championed, the "change" is not simply a collection of physical symptoms to be "fixed," but a mind-body revolution that brings the greatest opportunity for growth since adolescence. The choices a woman makes now—from the quality of her relationships to the quality of her diet—have the power to secure vibrant health and well-being for the rest of her life. Now completely revised, this groundbreaking classic draws on the current research and medical advances in women’s health, and includes:

- a new section on sex after 50—and how, if need be, you can rejuvenate your sex life;
- updated mammogram guidelines—and how thermography improves breast health;
- the latest on the glycemic index, optimal blood sugar levels, and ways to prevent diabetes;
- dietary guidelines revealing that hidden sugar—not dietary fat—is the main culprit in heart disease, cancer, and obesity;
- all you need to know about perimenopause and why it’s critical to your well-being;
- a vital program for ensuring pelvic health during and after menopause;
- strategies to combat osteoporosis and strengthen bones for life.

With this trusted resource, Dr. Christiane Northrup shows that women can make menopause a time of personal empowerment—emerging wiser, healthier, and stronger in both mind and body than ever before. Dr. Christiane Northrup is one of today’s most trusted and visionary experts on every aspect of being a woman. In *Mother-Daughter Wisdom* she introduces an entirely new map of female development, including the ‘five facets of feminine power’ that range from the basics of physical care to the discovery of passion and purpose in life. This blueprint allows any woman - whether or not she has children - to repair the gaps in her own upbringing and create a better adult relationship with her mother. It is also invaluable guidance for mothers of young daughters. Drawing on patient case histories and revealing personal history, Dr. Northrup discusses: Mother-daughter bonds; How this relationship affects our emotional and physical health; How to repair our relationships with our mothers; How to ensure a healthy future for our daughters and more. As no two menopause journeys are identical, this highly practical and accessible nutrition and lifestyle guide enables women to build a bespoke menopause diet that specifically targets their symptoms, with the minimum of fuss and effort. This practical nutrition and lifestyle guide provides women with the tools to build their own menopause diet which specifically targets the symptoms that are relevant to them. There are so many ways that nutrition can support a healthy and happy menopause, but a one-size-fits-all approach simply won’t work. The reality is that there are many different menopausal symptoms and no two women have the same experience. Jackie explains how the menopause and perimenopause can change your body and how your diet can make a tangible difference to the way that you feel, whether you’re using HRT or not. Each symptom section provides a range of targeted nutritional solutions, practical lifestyle advice and simple recipe tips that you can incorporate into your daily routine. A highly experienced clinician, Jackie specialises in providing real-world guidance to busy women. This book is designed to make the key information as easily accessible as possible and reflects her trademark practical style, which makes it the ideal one-stop solution for anyone juggling their menopause with the demands of a busy job and a hectic family life. Bestselling author Maryon Stewart’s life-changing plan and recipes are a proven alternative to HRT, tailored to help you regain your zest for living, restore your libido and protect your heart, bones and memory for the long term. The effects of menopause can be utterly debilitating for women, ravaging their physical, mental and emotional health and often their careers and relationships too. But conventional therapies come with side effects that sometimes seem nearly as bad. Bestselling author Maryon Stewart shows how you can alleviate the symptoms of menopause – naturally and effectively; through diet, supplements, herbal remedies, exercise and relaxation. The Natural Menopause Plan includes more than 90 delicious recipes. All are easy to make and brimming with vital nutrients, such as calcium, magnesium and essential fatty acids. Many are especially designed to include naturally occurring estrogens (phytoestrogens); a safe and effective alternative to HRT. You'll find delicious smoothies, pancakes and muesli recipes for breakfast. Lunch and dinner choices include fresh salads, soups, risotto, bakes, curries, stir-fries and more, with plenty of options for special diets. Desserts and snacks offer choices like cheesecake, fruit salads, cakes, bars and breads. Each is specially designed to alleviate menopausal symptoms in a healthful, lasting way. Complete with authoritative nutritional information, this is the ultimate guide to combating the effects of menopause the natural way. You are not going mad - it's your hormones! The perimenopause (the time leading up to the menopause) is often misunderstood. For some women, it lasts a few months; for others it consumes the best part of a decade. This transitional period can be a time of emotional turmoil, shifting priorities and physical changes: from hot flushes, insomnia, low mood and anxiety, to itchy skin, thinning hair, weight gain and loss of libido . . . to name just a few! Millions of women in their thirties and forties go through this without even realising they are perimenopausal. It's time they take back control. In *The Perimenopause Solution*, Dr. Shahzadi Harper, a medical doctor specialising in women's health and Emma Bardwell, a registered nutritionist, provide a blueprint to help women find a new balance in this important phase of their lives, so they can be prepared, not scared. Akin to getting two expert consultations in one, this holistic and accessible guide combines practical, no-nonsense information on the physical and mental changes to expect, with powerful advice on managing symptoms and nutrition, as what you eat during the perimenopause can dramatically affect your experience of it. Expert-led and forward-thinking in its approach, *The Perimenopause Solution* will not just help you survive the journey towards the menopause - it will let you thrive. The New York Times bestselling guide to physical and emotional wellness for women of all ages—fully revised and updated for 2020 “A masterpiece for every woman who has an interest in her body, her mind, and her soul.”—Caroline Myss, Ph.D., author of *Anatomy of the Spirit* “I recommend Women’s Bodies, Women’s Wisdom to all women and also to all men who want to understand and nourish the women in their lives.”—Deepak Chopra, M.D., author of *Ageless Body, Timeless Mind* Emphasizing the body’s innate wisdom and ability to heal, *Women’s Bodies, Women’s Wisdom* covers the entire range of women’s health—from the first menstrual period through menopause. It includes updated information on pregnancy, labor, and birth, sexuality, nutrition, hormone replacement therapy, treating fibroids, avoiding hysterectomy, and maintaining breast and menstrual health. Fully revised and updated to include the very latest treatment innovations and research data, and reflecting today’s woman’s proactive involvement in her own health care, this important new edition will help women everywhere enjoy vibrant health with far fewer medical interventions. Filled with dramatic case histories, *Women’s Bodies, Women’s Wisdom* is contemporary medicine at its best, combining new technologies with natural remedies and the miraculous healing powers within the body itself. No woman experiences menopause in exactly the same way. Some may endure hot flashes, irritability, or mood swings, while others experience insomnia, anxiety, or even depression. And while you have probably heard about the benefits and drawbacks of hormone-replacement therapy (HRT), you should also know that cognitive-behavioral therapy (CBT) has been proven effective not only in treating the emotional symptoms of menopause, but the physical aspects as well. With this workbook, you will learn exactly what is happening to your body during this transition and create a personalized treatment plan to help you feel better right away. Also included are easy-to-use worksheets and charts so that you can track and manage your symptoms and determine which treatments are working. Whether you are looking for an alternative to HRT, or simply want to supplement your treatment, this workbook is an essential resource for gaining control over your menopause symptoms. This comprehensive program will help you:

- Recognize symptoms and create an individualized treatment plan
- Manage hot flashes, night sweats, and insomnia
- Cope with anxiety, depression, and mood swings
- Discover natural and alternative therapies
- Make diet, lifestyle, and environmental changes

Minimize the symptoms of perimenopause and menopause naturally through a sustainable, enjoyable eating plan, physical activity, and other beneficial lifestyle habits “My friends and well-respected colleagues have written *The Menopause Diet Plan* to help you feel healthier, happier, and more confident during this change in your life.”—Maye Musk, MS, RDN, and author of *A Woman Makes a Plan* Menopause is uncharted territory for women, and it can be difficult to know how to ease the effects of hormonal changes that can often start in your 40s. With honesty and optimism, *The Menopause Diet Plan* encourages a positive, fad-free approach to managing your physical and emotional health during perimenopause and menopause. It highlights current scientific knowledge about the best diet and lifestyle choices to manage your weight; keep your heart, brain, and bones healthy; and decrease the risk for cancer and other chronic conditions. It also offers natural strategies to help diminish hot flashes, manage sleep difficulties and mood swings, improve energy, and more. The *Menopause Diet Plan* takes a unique approach to eating before, during, and after menopause. Registered dietitians Hillary Wright and Elizabeth Ward provide a customizable, plant-based eating plan that is rich in protein, fiber, and other beneficial nutrients, moderate in carbohydrates, and low in saturated fat, sodium, and added sugars. Balancing evidence-based advice with real-life circumstances and personal experience, it combines the best of the world's healthiest diets with the latest nutrition research for women in the menopause transition. Recipes such as Peanut Butter Smoothie, Chicken Italiano, and Chocolate Oatmeal Energy Balls make it easier to eat delicious, satisfying foods that nourish your body. With a comprehensive approach to better health, *The Menopause Diet Plan* helps women take charge of their well-being and live life to the fullest. A comprehensive, physiology-based guide to peak performance for active women approaching or experiencing menopause—from the author of *Roar*, renowned exercise and nutrition scientist Dr. Stacy Sims For active women, menopause hits hard. Overnight, your body doesn’t feel like the one you know and love anymore—you’re battling new symptoms, might be gaining weight, losing endurance and strength, and taking longer to bounce back from workouts that used to be easy. The things that have always kept you fit and healthy just seem to stop working the way they used to. But menopause doesn’t have to be the end of you kicking ass at the gym, on the trail, in the saddle, or wherever you work out. Once you understand your physiology, you can work with it—not against it—to optimize your performance. That’s where Stacy Sims, PhD comes in. In *Next Level*, you’ll learn the underlying causes of menopause: the hormonal changes that are causing all the symptoms you’re feeling, and their impact on your wellness and performance. Then, what you really came for—what to do about it. Inside you’ll find science-backed advice about training, nutrition, sleep and recovery and supplements, as well as sample exercise routines, meal plans, macronutrient planning charts, and case studies from real women Stacy has coached through the transition. It’s the ultimate guide to navigating the Next Level. *The Secret Pleasures of Menopause* is a groundbreaking book that is long overdue! Dr. Northrup believes that it’s about time menopausal women came out of the closet and learned to enjoy the best years of their lives! Even though studies show that menopause does not decrease libido, ease of reaching orgasm, or sexual satisfaction, the majority of menopausal women are not experiencing the pleasure and sexual satisfaction that is their birthright. Christiane Northrup, M.D., delivers this breakthrough message that will help millions and millions of perimenopausal and menopausal women throughout the world understand that at menopause . . . life has just begun! It is the beginning of a very exciting and fulfilling time, full of pleasure beyond your wildest dreams! Menopause is an unparalleled opportunity to turn your life around and create a firm foundation for the most fulfilling, healthy, joy-filled years of your life. *The Wisdom of Menopause Journal--* a companion to Dr. Christiane Northrup’s newly revised and best-selling book *The Wisdom of Menopause--* helps you focus on the "me" in menopause. Designed to help you both navigate and document this important transitional time, the journal is packed with action-oriented, practical advice for your mind and body--from recommended supplements and medication options to how to explore the emotional issues behind your physical symptoms. This journal gives you everything you need to create vibrant health in midlife on all levels--not just in your heart, bones, pelvic organs, breasts, and brain . . . but also in your sex life, your relationships, and even your beauty regimen! It enables you to record your current health and concerns, as well as the steps you want to take to achieve your goals in each area. You'll also find powerful affirmations, inspiring quotes, and plenty of blank pages for journaling, so you can create a record of your thoughts and feelings during this important time. Dr. Northrup's insights enable you to see menopause not as a burden to be endured, but as an empowering opportunity to reinvent yourself right down to the cellular level. The key is learning to tap into the profound wisdom that emerges during this life stage--wisdom you can fully trust to guide you toward enormous happiness, joy, and fulfillment. The first section introduces the "food as medicine" approach with a nutrient-rich meal and lifestyle plan to balance hormones, maintain bone and tissue strength, and boost mood. It demonstrates how stress, physical activity, sleep and social connection affect this period of change, and gives you strategies to find balance in all aspects of life. The second part of this natural menopause book "puts the plan into practice" with over 80 flavor-packed recipes that embrace everything good for metabolic and hormonal health. You can customize each recipe to target a specific symptom and suit your preferences. With gluten-free recipes, vegetarian and vegan meal ideas, it's easy to include balanced nutrition into your life. You'll instantly feel the benefits! **Confront menopause symptoms such as weight gain, mood swings, and low sex drive with clear advice from a trusted source.**

*Mayo Clinic The Menopause Solution* is the definitive guide to making your life change a positive one. Drawing on the latest information, leading women's health expert Dr. Stephanie Faubion covers common questions, lifestyle strategies, and treatment options.

Unlike other books, *Mayo Clinic The Menopause Solution* is comprehensive, easy to navigate, and authoritative.

Features include:

- A complete look at what happens to your body before, during, and after menopause.
- Up-to-date information on over-the-counter medications, nutritional supplements, and hormone therapy
- Sidebars, lists, and summaries to make finding information a cinch

Dr. Faubion knows that what works for one woman doesn't necessarily work for another. In approachable terms, she presents a balanced, unbiased overview of what to expect in midlife and beyond. You'll find accurate information on perimenopause, premature menopause, menopause symptoms, long-term effects of estrogen loss, and a wide variety of therapies to enhance health.

Professional, accessible, and essential for any woman entering menopause, *Mayo Clinic The Menopause Solution* offers everything you need to take charge of your own health and get the best care from your doctor. Menopause is a dramatic but largely overlooked developmental window to the second half of life. Although today's women are more aware of and actively involved in mapping their menopausal journey than generations before, many still do not see menopause as a time of important psychological and spiritual transformation. This book goes far beyond hot flashes and gets to the very heart of the midlife journey, helping women find their unique voice and speak their truth in an era of #MeToo and #ChurchToo. Coming alongside readers as a wise spiritual guide, pastor and theologian Cheryl Bridges Johns identifies seven key developmental "tasks" of menopause and gives practical ways women can embrace each one. She encourages women to view these tasks as gifts as they experience the remarkable physical, emotional, and spiritual transformation that occurs in this stage of life. Written in a warm and conversational tone, this book helps women chart a course for the future, leading them to a renewed sense of identity, a more focused vision for life, and a deeper spirituality. Each chapter includes guided questions for personal reflection and study questions for group discussion. Hormone Treatment Is Called Harmful-Washington Post, 7/10/02 Estrogen Use Linked to Higher Cancer Risk-Boston Globe, 7/17/02 31.2 million women facing menopause in America are concerned by these headlines. Most women today will live over one-third of their lives post-menopausal, but what about the age-old solution of hormone replacement therapy? In 2002 the U.S. government halted a major study of hormone therapy because it increased the risk of invasive breast cancer. Now, millions of women are left wondering whether they should approach menopause without hormones, suffering from hot flashes and low sex drive or take hormones and live in fear of being another statistic. Suza Francina has a simpler solution: Yoga. In this practical book, Francina, a leading yogi and author of *The New Yoga for People Over 50*, shows how yoga can be a powerful tool to help women turn menopause into a positive and empowering experience, both physically and spiritually. Included are easy-to-follow, indexed photos of yoga poses that alleviate key menopausal problems including: hormonal changes; hot flashes; irregular bleeding; fibroids; stress and anxiety, mood swings, depression and fatigue; bone loss; heart disease and cancer. Francina delivers a timely and truly heartening message to women: you don't have to get weaker or depressed when facing menopause, it can truly be an empowering, restorative time. Today's generation is the first to really speak openly about menopause—yet the medical community and popular culture fixate on the negative aspects. Now a renowned women's health expert offers a powerful guide to experiencing perimenopause and menopause as a natural gateway into the next exciting and meaningful phase of our lives. Margaret Lock explicitly compares Japanese and North American medical and political accounts of female middle age to challenge Western assumptions about menopause. She uses ethnography, interviews, statistics, historical and popular culture materials, and medical publications to produce a richly detailed account of Japanese women's lives. The result offers irrefutable evidence that the experience and meanings—even the endocrinological changes—associated with female midlife are far from universal. Rather, Lock argues, they are the product of an ongoing dialectic between culture and local biologies. Japanese focus on middle-aged women as family members, and particularly as caretakers of elderly relatives. They attach relatively little importance to the end of menstruation, seeing it as a natural part of the aging process and not a disease-like state heralding physical decline and emotional instability. Even the symptoms of midlife are different: Japanese women report few hot flashes, for example, but complain frequently of stiff shoulders. Articulate, passionate, and carefully documented, Lock's study systematically undoes the many preconceptions about aging women in two distinct cultural settings. Because it is rooted in the everyday lives of Japanese women, it also provides an excellent entree to Japanese society as a whole. Aging and menopause are subjects that have been closeted behind our myths, fears, and misconceptions. Margaret Lock's cross-cultural perspective gives us a critical new lens through which to examine our assumptions. A groundbreaking mind/body program for perimenopause and menopause uses relaxation response techniques, nutrition, and exercise to manage menopause symptoms. FROM THE EDITORS OF THE CLASSIC "BIBLE OF WOMEN'S HEALTH," A TRUSTWORTHY, UP-TO-DATE GUIDE TO HELP EVERY WOMAN NAVIGATE THE MENOPAUSE TRANSITION For decades, millions of women have relied on *Our Bodies, Ourselves* to provide the most comprehensive, honest, and accurate information on women's health. Now, in *Our Bodies, Ourselves: Menopause*, the editors of the classic guide discuss the transition of menopause. With a preface by Vivian Pinn, M.D., the director of the Office of Research on Women's Health at the National Institutes of Health, *Our Bodies, Ourselves: Menopause* includes definitive information from the latest research and personal stories from a diverse group of women. *Our Bodies, Ourselves: Menopause* provides an in-depth look at subjects such as hormone therapy and sexuality as well as proven strategies for coping with challenges like hot flashes, mood swings, and night sweats. In clear, accessible language, the book dispels menopause myths and provides crucial information that women can use to take control of their own health and get the best care possible. *Our Bodies, Ourselves: Menopause* is an essential resource for women who are experiencing -- or expecting -- menopause.
