The newest addition to the popular Quick-Reference Guide collection, The Quick-Reference Guide to Addictions and Recovery Counseling focuses on the widespread problem of addictions of all kinds. It is an A-Z guide for assisting pastors, professional counselors, and everyday believers to easily access a full array of information to aid them in formal and informal counseling situations. Each of the forty topics covered follows a helpful eight-part outline and identifies (1) typical symptoms and patterns, (2) definitions and key thoughts, (3) questions to ask, (4) directions for the conversation, (5) action steps, (6) biblical insights, (7) prayer starters, and (8) recommended resources. How many times have you wanted some context and background about a book of the Bible but didn't have the time to wade through a long commentary? The Quick Reference Guide to the Catholic Bible is a concise guide that is meant to orient you as you read the various books of the Bible-something you can keep by your side and glance at quickly before going back to your prayer. This reference guide features - Introductions and a glossary for each major section of the Scriptures; - An "At a Glance" section summarizing key attributes of each book; - Presentation of the book's structure, content, major themes, and the consensus opinion about the human author; - The literary form of the book; - Key passages of each book, including the most famous references; - A "Food for Thought" section intended to lead readers to meditate on what the book means for their own lives. This is a reference guide you will want to have with you every time you open the Bible! Since the release of the first draft of the Next Generation Science Standards (NGSS), NSTA has been at the forefront in promoting the standards and helping science educators become familiar with and learning to navigate this exciting but complex document. Later, when the final version was released and states began adopting the standards, NSTA started to develop resources that would assist educators with their implementation. Along the way, NSTA learned that even the simplest of resources, like a one-page cheat sheet, can be extremely useful. Many of those tools are collected here, including: a two-page "cheat sheet" that describes the practices, core ideas, and crosscutting concepts that make up the three dimensions described in A Framework for K-12 Science Education; an "Inside the Box" graphic that spells out all of the individual sections of text that appear on a page of the NGSS; a Venn diagram comparing the practices in NGSS, Common Core State Standards, Mathematics, and Common Core State Standards, English Language Arts; and matrices showing how the NGSS are organized by topic and disciplinary core idea. This guide also provides the appropriate performance expectations; disciplinary core ideas; practices; crosscutting concepts; connections to engineering, technology, and applications of science; and connections to nature of science. MacArthur's Quick Reference Guide to the Bible is an essential tool for anyone who want to seriously study the bible deeply, faithfully, and effectively. This valuable companion to reading the Bible will help you develop good Bible-reading habits and a better understanding of the depth and breadth of God's Word. In this expanded second edition of Hand Rehabilitation, Susan Weiss and Nancy Falkenstein give us a unique approach to critical thinking in hand therapy [Foreword]. Minimize site-based risk while respecting the legal rights of students, staff, and parents Principals deal with complicated and potentially damaging legal issues every day . . . and now there's an accurate, accessible tool, written in plain English that can give administrators the information they need to do their jobs while minimizing legal risk. Dennis R. Dunklee and Robert J. Shoop-recognized school law experts-provide additional programmatic guidance for other school district personnel, "management cues" and "risk management guidelines," a comprehensive index, additional references to landmark court cases, coverage of the No Child Left Behind Act, and information on state-created danger and deliberate indifference.
